SAW BENCH

We show here a few views of the OLIVER SAW BENCH, which is the greatest economizer ever put into a pattern shop, and of equal value to the cabinet shop, or in shops manufacturing interior finish, in fact in any place where perfect work is desired and the saving of expensive hand labor an object.

It is built with all the care and accuracy of the best machine tools and not on the line of ordinary wood-working machinery.

Ask us for catalogue giving further details regarding this machine.
