A match for the Regular Service was fired but I have not the scores. The five were won as follows :-

- 1 Lance Corp'l Hiscott, R. C. R.
- 2 Pte. Hanlon,
- 3 Pte. Lindsay, 4 Corpl. Clay,
- 5 Pte. Bazle,

Several extra irregular matches were fired, and on the evening of the third day (27th August) ended the most successful and pleasant of the annual matches of the P. W.

The shooting is much below the former standard owing to the fact that with half a dozen exceptions the men have never practiced until this year, being all recruits of last winter when the new Militia Act came into force, under which none of our crack shots of former times re-enlisted. At our next annual match we feel satisfied that the scores will compare favorably with any Battalion in the Dominion.

Considerable interest is manifested in the Dominion Match at Toronto, and I understand ithat the 14th P. W.O., Kingston, 47th Frontenac, and 48th Lennox and Addington, were to be represented there by selected "teams." The two latter regiments, the Kingston and Lobars Troops of Cavalry, and the Kingston Field Battery of Artillery are to go into camp at the Crystal Palace in a few days to perform their annual drill, for which they are to be munificently paid the sum of \$6.50 each and pay their own expenses. This cheese-paring policy of the Militia Department is, I am happy to see, meeting with general disapproval throughout the country, and I earnestly hope the obnoxious arrangement may be done with before it has time to to complete the destruction of the Force.

Yours, &c.,

CATARAQUI.
