

## GENERAL SECRETARY CREWS

Did magnificent work for the Epworth League in Canada when he compiled his almost invaluable

### Epworth League Manual:

A Book of Hints and Suggestions on League Work, which we have just issued to sell at the small price of 25c. net, postpaid.

We recommend our ministers to get it and study it, and if, after doing this, they do not urge the officers and members of their local Leagues to get the MANUAL, it may be taken for granted they have no great interest in League work. Every League worker should at once get the MANUAL.
