LET US EXPLAIN WHY ?

KELLY'S Limited

MANUFACTURERS,

116-118 Granville St., - HALIFAX

WHAT SHALL THE PATIENT EAT ?

Practical Dietetics

solves the question. It contains diet lists for and what foods to avoid in the various diseases, as advised by leading hospitals and physicians in America. It also gives in detail the way to prepare the different foods. Also appropriate diet for the different stages of infancy. A book of great value for the physician, nurse and household.

Pattee's "Practical Dietetics"

Has been recommended by

Governments, United States and Canada (Adopted for use by the Medical Department and placed in every Army Post.)

Medical Colleges and Hospitals, Training Schools, (Adopted as a text-book in the leading schools of United States and Canada.)

Fifth Edition just out, 12mo., cloth, 320 pages.

Price, \$1.00 net. By mail, \$1.10. C.O.D., \$1.25

A. F. PATTEE, Publisher & Bookseller,

NEW YORK OFFICE : 52 West Thirty-ninth Street.

CORRECT DRESS !

THE importance of CORRECT DRESS as an asset towards success in life cannot be placed too highly. The physician must be well-dressed. Wholly aside from the effect on others the consciousness of looking one's best gives an ease of bearing that is a momentous factor now-a-days in capturing life's prizes. You can be well and not expensively dressed by coming to us for your clothing.
