My New Honey Knife puts all others to shame, and is the finest and best that is in use.

My Latest Improved Honey Extractor has valuable improvements that no others have. It is the cheapest, strongest, lightest running, and best and most durable in America.

My Comb Foundation is made on an improved Dusham machine and from clarified wax, and is better manufactured than any other. I will make up wax into comb foundation cheaper and better than others.

Honey Tins and Pails. My honey cans are cheaper and superior to any others in the Dominion, as I am the only one who has machinery and dies to manufacture these new and improved self-sealing cans and pails. They can be used for sealing fruit.

In a short time my new Honey Labels will be ready. They will be lithographed on nice different staves, featuring all the colors, making a handsome varnished chrome label, finer than anything yet made so that each person can have his own name on them. The price will be wonderfully low.
