

“Good Morning, Have You Used Pears’ Soap?”

Few travel comforts can compare with that of a soothing, balmy, skin-preserving toilet soap—one that will keep the skin in perfect condition whatever winds assail—whether it be hot or cold, sunny or cloudy, wet or dry. Such is

Pears’ Soap

which both protects and beautifies. The composition of this favorite beauty soap of six generations is of such an exquisite emollient character that it promotes the full natural action of the pores, and imparts to the skin-surface the refined pink and white of a perfect complexion.

Pears takes up little room, but it is good company—to have it ready for use anywhere and at any time is in the highest degree comforting. With Pears the skin is safe. Without it the traveler is at the mercy of whatever soap he can get; and as many soaps are injurious to the skin and ruinous to the complexion, it behooves everyone to be safeguarded with Pears. If any other soap is furnished you—send out and get Pears.
