GUELPH

## Business College

QUELPH - - ONTARIO

Students may enter at any time with equal advantage.

The demand for our graduates is greater now than at any former time, because the quality of our work is more widely known.

In view of the superior advantages afforded, our rates of tuition are the most favorable offered by any self-supporting Canadian institution.

The tuition given in our Modern Language Department is, alone, worth the entire cost of tuition in all the subjects taught.

The development of sterling character is the foundation principle in our system of training; hence the confidence with which our graduates are everywhere received.

The self-supporting school is the only educational institution founded on a basis of absolute justice. Standing on this basis, and on the genuine merit of its work, the "Guelph Business College" respectfully solicits public patronage.

The Annual Circular, giving full information, and illustrated with beautiful specimens of our pen-drawing, will be sent free to any address on application
