—:OO:—

A lady writes us she would not be without Minard's Liniment if it cost \$20 a bottle, for in cases of diphtheria, croup, and asthma when the patient is almost dead for want of breath and a remedy is required to act instantly, it can't be beat, and costs only 25 cents.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

Mrs. John Thompson, granddaughter of the poet Burns, has just died in Glasgow. Her husband is a spirit merchant. The deceased's maiden name was Jean Armour. She was the daughter of Elizabeth, the daughter of Burns.

TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it free to any person who applies to Nicholson, 177 McDougal street, New York.

Most men call fretting a minor fault—a foible, not a vice. But there is no vice, except it be drunkenness, which can so utterly destroy the peace and happiness of a home. —Helen F. Jackson.

SORE LUNGS.

C. C. RICHARDS & Co., Gents.—I have suffered for years with sore lungs; so sensitive were they that the weight of my clothes hurt them. I used Minard's Liniment freely internally and externally and it cured them at once. MR. S. MASTERS.

Experiments are said to have proved that where electric lights have been used in place of oil lamps for lighting the compasses of vessels at night, an incandescent lamp brought close to the compass caused a deflection of the needle.

An advertisement has been running in a Bristol, Eng., paper for the last year, offering \$50 reward for any well authenticated case of a child being carried away by an eagle, no matter in what country.

The moral law of the universe is progress. The health of the people depends on the free use of Minard's Liniment; it cures coughs, colds, sore throat, hoarseness, and all aches and pains the human family are subject to.

A SINGLE TRIAL

is all that is needed to prove that Polson's Nerviline is the most rapid and certain remedy in the world for pain. It only costs 10 cents for a trial bottle. A single trial bottle will prove Nerviline to be equally efficacious as an external or internal remedy, and for pain of every description it has no equal. Ery 10 cent sample bottle. Sold by druggists. Large bottles 25 cts. Avoid substitutes.

A new double-pointed nail is the invention of an ingenious woman. The points turn in opposite directions. They are especially useful for invisible nailing in woodwork. It is simply two nails joined firmly—the sides of the heads being placed together.

Economy is itself a great name. Then keep Minard's Liniment in the house and you will keep the doctor out. Only costs 25 cents a bottle.

The star Alpha Lyrae has been generally supposed to be a double star, and an English astronomer lately declared that he was wrong it was double; the latest observations at Harvard University indicate that it is single.
