THE SUBSORIBER having, by a new and special arrangement, been appointed by Messrs. JACQUES & HAY, of TORONTO, their sole and only Agent in THIS CITY, for the Sale by Auction, of their splendid FURNITURE, takes the earliest opportunity of announcing to the Citizens of MONTREAL and the public generally, that he will, from time to time dur-ing the ensuing Spring, offer at his spacious and well established premises, No. 139 GREAT ST. JAMES STREET, the various extensive consignments direct from this celebrated establishment, embracing all the new styles of their elegant and elaborately carved and polished ELACK-WALNUT FURNITURE, in every variety and description necessary to meet the demands of modern taste and convenience.

In addition to the Sale at his own Stores, the Sale of HOUSEHOLD FURNITURE and EFFECTS at the private residence of parties declining Housekeeping or removing from the city, will claim special attention; and all OUT-DOOR SALES of this description are respectfully solicited. Increased facil ities have been secured, with the view to the effi-cient carrying out this department of the business, in order to ensure the greatest economy and despatch in disposing of property, so that parties seiling out can have their account, sales and proceeds immediately after each sale.

Special attention will be given to the Sale of REAL ESTATE and CITY PROPERTY, and as this department of the Auction business is becoming more important with the increase and extension of the City, the undersigned offers the most Liberal Terms to parties wishing to bring their property into the market for public competition.

A great hardship has been felt by both buyers and sellers, the former being taxed illegally with one per cent. on the unount of purchase, and the latter by the exorbitant charge for commission and advertising --Now, the undersigned proposes to do away with this grievance as far as his own business is concerned, by undertaking the Sale of Real Property, on conditions which, it is hoped, will meet the views of all parties, namely—

1st-There will be no charge of e per cent to the purchaser. 2nd-When bona fide sales are effected not exceed,

ing £5000, the commission will be £5; and on amounts from £5,000 upwards, only £10, exclusive of the cost of advertising; upon which the regular trade discount of .25 per cent. will be allowed.

3rd — When property is bought in, reserved, or with-drawn, no charge will be made, except the ac-tual disbursement for advertising.

The undersigned avails himself of this opportunity

of returning his sincers thanks to the public for the very liberal patronage bestowed on him during the past four years, and trusts, by prompt attention to business, and strict adherence to the foregoing programme, to meet a continuance of the same.

N.B.—All orders left at the Office will meet with immediate attention.

The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our BRISTOL'S SUGAR.
COATED PILLS, as combining all the essentials of
a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, berbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the hilious secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and Crugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGE-TABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as Piles.

In diseases which have their origin in the blood. BRISTOL'S SARSAPARILLA—that best of blood purifiers—should be used with the Pills; the two medicines being prepared expressly to not in har-mony together. When this is done-faithfully, we have no healtation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.
