Mercantile Summary.

THE Beauties of Halifax is the title of an exceedingly neat brochure sent out by Mr. Corey, of the Eastern Fire Assurance Company. To those who have visited the city, sailed on the harbor and up the Northwest Arm, walked to Point Pleasant and thereabout, it is not necessary to say that Halifax has beauties. But to those who do not know the locality Mr. Corey's pleasant little book will give an idea of its appearance.

We hear on good authority that the Watrous Engine Works Co., of Brantford, has at present more orders on its books than ever before at one time. Six of them are for large Watrous band mills; four for the Simpson dry press brick machine; several for large circular saw mills, and numerous ones for large engines. Such a result is obtained only by two things—the making of a good article and judicious advertising.

THE twenty-eighth annual meeting of the National Association of Wool Manufacturers was held at the Fifth Avenue Hotel, in New York, last week. There were present about fifty members of the association, including many of the most prominent wool manufacturers of the country. Resolutions were adopted protesting against free wool. An election for officers resulted as follows: President, Hon. Rufus S. Frost, Boston, Mass.; vice-presidents, John L. Houston, Hartford, Conn.; A. C. Miller, Utica, N.Y.; Thos. Dolan, Philadelphia; Thos. C. Search, Philadelphia; treasurer, Benjamin Phipps, Boston; secretary, S. N. D. North, Boston.
