

Women are not slow to comprehend. They're quick. They're alive, and yet it was a man who discovered the *one* remedy for their peculiar ailments.

The man was Dr. Pierce.

The discovery was his "Favorite Prescription"—the boon to delicate women.

Why go round "with one foot in the grave," suffering in silence—misunderstood—when there's a remedy at hand that isn't an experiment, but which is sold under the *guarantee* that if you are disappointed in any way in it, you can get your money back by applying to its makers.

We can hardly imagine a woman's not trying it. Possibly it may be true of one or two—but we doubt it.

Women are ripe for it. They must have it. Think of a prescription and nine out of ten waiting for it. Carry the news to them!

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the Little Regulators.

I take pleasure in stating that the St. Leon Mineral Water I have used has been very beneficial to my health. The saline properties of the water seem to invigorate the whole system. I can recommend its use as highly conducive to general health. D. B. READ, Q.C., 237 University Street.
