HOSPITAL REMEDIES.

There is a new departure in the treatment of disease. It consists in the collection of the specimens usually noted, specialists of European America, and bringing them within the reach of all. For instance, the treatment prescribed by special physicians, who treat in general, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians, celebrated for curing catarrh, were procured, and soon till these most payable remedies now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from the druggist may remit the price to Hospital Remedies Co., 249 West King St., Toronto, and the remedy will be shipped to the address. The price is one dollar each. Descriptive catalogue sent on receipt of stamp to pay postage.
