

Authority is provided under Section 12 of the Act for regulations prescribing the information and undertakings to be furnished by applicants for permits, procedures to be followed in applying for and issuing permits, and requirements for carrying out the purposes and provisions of the Act.

Section 6 of the Export Permit Regulations (C.R.C., c.602) provides for the issuance of general permits authorizing the export of certain named goods to all destinations or to specified destinations.

The Regulations Respecting Trans-shipment (C.R.C., c.606) enable Canada to cooperate in a system agreed upon by a number of countries to prevent the diversion of strategic materials in transit.

The following is a statistical summary of applications for export permits processed during 1985 relating to both the ECL and the ACL:

Export permits issued.....	8,127
Applications refused.....	45
Applications withdrawn.....	388
Export permits cancelled.....	39
Application pending as of Dec. 31, 1985.....	1,023

In addition, applications for permits required for any specimen of endangered wild fauna or flora or derivatives appearing on the Export Control List were handled by the Canadian Wildlife Service. The following permits were issued in accordance with General Export Permit No. Ex. 14 of September 21, 1976:

Applications approved.....	922
Applications refused.....	3
Applications withdrawn.....	9
