### *Benefits under the Canada Pension Plan*

1. For purposes of determining eligibility for a benefit under the *Canada Pension Plan* through the application of the totalizing provisions of Chapter 1, a calendar year including at least 3 months or 13 weeks of contributions under the legislation of Uruguay shall be considered as a year of contributions under the *Canada Pension Plan*.
2. If a person is eligible for a benefit solely through the application of the totalizing provisions of Chapter 1, the competent organization of Canada shall calculate the amount of benefit payable to that person in the following manner:
  - (a) the earnings-related portion of the benefit shall be determined in conformity with the provisions of the *Canada Pension Plan*, exclusively on the basis of the pensionable earnings under that Plan; and
  - (b) the flat-rate portion of the benefit shall be determined by multiplying:
    - (i) the amount of the flat-rate portion of the benefit determined in conformity with the provisions of the *Canada Pension Plan*  
  
by
    - (ii) the fraction which represents the ratio of the periods of contributions to the *Canada Pension Plan* in relation to the minimum qualifying period required under that Plan to establish eligibility for that benefit, but in no case shall that fraction exceed the value of one.
