**Mr. Deputy Speaker:** I declare the motion lost.

• (2000)

**Mr. Hawkes:** Mr. Speaker, I wonder if there might be a disposition in the chamber to apply the vote that was just taken to the next two motions, Motions Nos. 33 and 24, and in exchange give all members a five minute adjournment to attend to obvious necessities which might give us all a little comfort.

**Mr. Deputy Speaker:** Is there unanimous consent?

**Some Hon. Members:** No.

**Mr. Riis:** Mr. Speaker, I appreciate the generous offer of my hon. friend. However, I think the fact that since this government has used some form of closure more than any other government in history it is important we stand to be counted.

**Some Hon. Members:** Hear, hear!

**Mr. Deputy Speaker:** The next question is on Motion No. 33.

The House divided on Motion No. 33, which was negated on the following division:

*(Division No. 106)*
