Rt. Hon. Lord Atholstan,
The Montreal Star,
Montreal.

Dear Sir:-

In your letter of January 26th you wrote me that you were having prepared a circular letter to be sent in reply to letters re "cancer cure", and that you would send me a supply of these.

I have received a number of letters to which I have not replied. Will you kindly advise me whether I shall send same to you to be dealt with, or what you wish done with them.

Yours faithfully,

Principal.
