CAPTIVITY AMONG THE

I propose to treat on these, and the subsequent history of my life, before I enter into the details of the habits, morals, and polity of the Indians with whom I resided; because this arrangement will enable me to embody much matter in my narrative, which, if read, I am apprehensive, will prove tedious and uninteresting, and which thus disposed of, can be passed over at the option of the reader, for the subsequent and more interesting contents of the work, without interrupting the general connection. Besides, it will afford me the satisfaction of detaching myself, in a degree, from the view of the reader in the more important parts; a circumstance with which, in the capacity of an author, I may truly say I wished altogether to have complied, but which I could not consistently do against the opinions of many from whom I have received unequivocal tokens of friendship and regard, and whose advice I feel myself bound to respect.

I was taken prisoner at a very early period of my life by a party of Indians, who, from the train of events that followed, belonged to, or were in alliance with, the Kickapoo nation. At the same time, two other white children, a boy and a small girl, were also made prisoners.

I have too imperfect a recollection of the circumstances connected with this capture, to attempt any account of them; although I have reflected on the subject so often, and with so great interest and intensity, under the knowledge I have since acquired of the Indian modes of warfare, as nearly to establish
