LAKE MONSTER HAS  
BEEN UNMASKED

Finally Captured After Ter-  
rorizing Dwellers on Shores  
of Long Lake.

MINNEAPOLIS, Sept. 8.—The Long  
Lake monster, which has been  
terrorizing the shores of Long  
Lake for several years, has been  
captured and killed. The monster  
was a large, scaly creature, about  
10 feet long and 4 feet wide. It  
was found in a hole in the ice  
near the shore of Long Lake.

See Serpent Raw Materials.

The monster of the lake, the possi-  
ble, was sent to the University  
of Minnesota. It was a large, scaly  
creature, about 10 feet long and  
4 feet wide. It was found in a  
hole in the ice near the shore of  
Long Lake.

BY PRAIRIE SCHOONER.

ST. JOSEPH, Mo., Sept. 7.—Travel-  
ing overland in a covered wagon since  
April 19, J. K. Griffin and family  
have almost completed their jour-  
ney from Los Angeles, Cal., to their  
home in Salem, Mo. For two years  
Griffin and his household have been  
traveling about the western country in  
their covered wagon. They left their  
home in Salem, starting for Califor-  
nia. On the way westward they vis-  
ited all the interesting places. They  
made the trip by way of the Oregon  
trail, going out, stopping at Yellow-  
stone Park.

PORT HURON, Mich., Sept. 7.—The  
craft in which Rev. Samuel Bettes and

mile trip down the Mississippi and  
around the coast, has arrived at the  
Lynn Marine reporting office. The boat  
will be overhauled and then put on ex-  
hibition in the St. Clair River. The trip  
was made possible by the donations of  
local business men.

HORSE CHEWS TOBACCO.

Furniture Dealer's Nag Prefers it  
to Varnish.

COTTONWOOD FALLS, Kan.,  
Sept. 7.—Frank Brown, a local furni-  
ture dealer, has a six-year-old black  
horse named "Bill," which has re-  
cently become a habitual tobacco  
chewer. So keenly has the animal come  
to enjoy the weed that every time his  
master drives downtown the horse  
expects his allotment of "fine cut"  
and is greatly disappointed unless it  
is forthcoming.

Any variety of fine cut is his fa-  
vorite, but he will chew plug toba-  
co if given the chance. The horse has  
no unusual liking for "Bill" to eat  
one or two packages of tobacco at a  
time, and he would readily use up  
a dozen of them were they given to  
him. His owner believes that a  
package of tobacco every few days  
will do no harm and may be a good  
thing to help keep a horse healthy,  
which is the reason he indulges "Bill"  
in his whim.

WOLVES SPARE CHILD.

It Wanders Two Days Over Wildest  
Mountains.

MUSKOGEE, Okla., Sept. 7.—After  
tramping two days over the mountains  
without food, Oran Trammell, three,  
who wandered away from a construc-  
tion camp at Woodward, was found by  
James Payne, an old hunter. Payne  
declined the reward of \$500 offered by  
J. T. Trammell, the child's father.

The Trammell child and Ruby Thomp-  
son, four, wandered away from the  
camp. Searching parties found the  
little girl the next day, six miles from  
home. She said the boy had tired and  
she left him. Payne, trailing the  
little boy over Eagle and Klamick  
mountains and came upon him fast  
asleep. The country thru which  
the children wandered is infested with  
wolves and wildcats.

APPLES A CURE FOR LOVE?

Thus Saith a Cooking Teacher Out  
in Colorado.

BRAZIL, Ind., Sept. 7.—"Plenty of  
oranges will cure drunkenness," said  
Mrs. Romine, instructor in domestic  
science, at the City County teachers'  
institute. She added that fruit juices  
are the best germ destroyers, that  
pineapple juice will cure tonsillitis;  
that lemon juice destroys the typhoid  
germ; that grape juice will assist in  
the cure of lagrippe and apples will  
cure stomach trouble, bad temper and  
love.

Mrs. Romine put up peaches and  
apples and prepared jellies on a gaso-  
line stove five before the teachers as  
she outlined a model domestic science  
lesson.

## SOCIETY

CONDUCTED BY MRS. EDMUND PHILLIPS

It is hinted that there will be a num-  
ber of changes in the personnel of the

brother of Capt. Harry Graham, for-  
merly aide-de-camp to the Earl of Minto.

It is very unlikely that Her Royal High-  
ness will return to Canada, but if she  
should be strong enough to do so, she  
will have a new lady-in-waiting, in-  
stead of Mrs. Rivers-Bulkeley, and  
Miss Yorke will probably be the lady  
chosen for the post of honor.

at a garden party at his residence,

Parsons takes place on Wednesday  
next.

Mr. and Mrs. Charles Hunter and  
Mrs. Frederick Congdon came over  
from Niagara yesterday.

Mr. F. R. McCausland sailed by the  
Royal Edward for England on Satur-  
day.

The engagement is announced of  
Miss Marion, daughter of Mr. and Mrs.  
Babin, Ottawa, to General Kaid Belton,  
only son of the late Belton Pasha and  
Mrs. Belton, London. The marriage  
will take place early in October.

Lakeland, Miss Louise Ford, who has

Aldershot, has arrived in Montreal.

Niagara-on-the-Lake.

monton of Miss Irene Harbottle, eld-  
est daughter of Mrs. A. H. Harbottle,  
Dr. W. Harold Brown, Edmonton. The  
marriage will take place this month.

spending his holidays at Niagara-on-  
the-Lake, has returned to town.

at the Princess for the bridesmaids and

wedding today, with a supper after-  
wards in the royal suite at the King  
Edward.

The marriage takes place today of  
Miss Olive Buchanan to Mr. Leys Good-  
erham.

ed from Caucasia, where he spent the  
summer with his family. Mrs. Casels  
is leaving Caucasia early next week for  
St. Agatha, where she will spend some  
time with her daughter, Miss Harriet

### IDENTIFIED AFTER SEVENTEEN YEARS

Fred Brosseau, Kidnapped by Gypsies, Restored to His Parents.

### MIMICO WILL NOT SPEND ANY MONEY

Village Council Decide to Let Accounts Stand Over Until Taxes Come In.

CENTERTOWN, N. Y.—Word has reached here that Frederick Brosseau, 24, who was kidnapped by gypsies nearly 17 years ago, has been restored to his parents, Mr. and Mrs. John Brosseau, of Sissonville, N. Y. They had mourned him as dead. On Oct. 14, 1896, when but 7 years old, young Brosseau left home to meet his father at the edge of the village. That was the last seen of the boy in Sissonville. Recently a young man deserted from a band of gypsies in the Canadian wilds and took refuge with the monks of Oka, whose isolated monastery is 40 miles from Montreal. He could remember nothing of his history previous to becoming a member of the band except that he had been called Fred and that his former home was in north-ern New York.

The presence of the wanderer was reported by the monks to the Montreal police and an aunt of the young man recognized his picture in a newspaper. The parents were notified and went to Montreal, where they identified Brosseau by a birthmark.

### PLEDGES WEDDING RING.

Kansas Widow's Plan of Providing for Son's Education.

KANSAS CITY, Sept. 7.—A widow entered the municipal pawnshop and asked Ralph Perry, municipal pawn-broker, if she could pawn her diamond wedding ring.

"My husband died two years ago," she said. "My only son wants to com-plete his education at the University of Illinois. He has been working since school let out and has saved \$100. I want to leave my ring here and give him the money to go to school. He has been promised a position at Cham-paign, Ill., while at a private boarding house. If I could get \$125 on my wedding ring he will be able to go back to college," she said.

Mr. Perry put the ring thru an acid test and allowed her \$125 on it.
