DOAN'S KIDNEY PILLS.

No one can be healthy with the kidneys in a diseased or disordered state. The poisonous Uric Acid which it is their duty to filter out of the blood, is carried into the system and produces Rheumatism, Headaches, Backaches and hundreds of ills and ailments.

Any one who has the slightest suspicion that the kidneys are not acting right should take Doan's Kidney Pills. They are the most effective kidney remedy known. Mr. Conrad Beyer, at E. K. Snyder's Shoe Store, Berlin, Ont., bears this out when he says:

this out when he says:

"Anyone suffering with kidney troubles cannot do better than take Doan's Kidcannot do better than take Doan's Kidney Pills, for they cured my wife who has been afflicted with pain in the back and other kidney troubles for a long time. They have helped a great many of my acquaintances in this town, and I must say they are the medicine that reach the kidneys with the best effects."

Doan's Kidney Pills are daily giving fresh evidence of the fact that they are the best remedy for Backache, Lame or Weak Backs, Bright's Disease, Dropsy, Diabetes, Gravel and all troubles of the Urinary System.

In addition to the good showing recently reported at a depth of 53 feet, the well-informed know that the Fairmont Company will benefit materially by its close proximity to the Dundee. The Company will be able to use the latter's 50-ton concentrator and the wagon road also. My advice to all is to buy DUNDEE and FAIRMONT, and that QUICKLY.
