The number of young Canadian farmers who passed through here on the G. T. R. today bound for Manitoba and the west was particularly large. United States Customs Officer Murphy was called upon to bond 30 pieces of Western and 15 pieces to the west. A party numbering about 200 from places along the Stratford branch, for the Chicago, Milwaukee and St. Paul Railway, arrived in the city this morning with a party from points north of Stratford. They were bound for Manitoba, and 17 for Dakota.

THE RATE WAR.

May Possibly Be Ended by Today's Meeting.

Toronto Globe.—"If the meeting of railroad men which opens today, results in the restoration of the rate war, then local rates in Ontario and Quebec will be affected and the old tariffs will be re-established. This means that rates will be a thing of the past, and travelers will once more have to pay full fare. Should the meeting then it would then be surprising to see rates drop again, however, the chances seem to favor a temporary restoration of rates, and if this is actually agreed upon by the Canadian Pacific and Grand Trunk to withdraw from the local rate war with honor, and with neither side being able to claim a victory.

New York, March 23.—The physicians who attended Anton Seidel, the famous musical director, who died suddenly last night, during his dying moments, are at a loss to account for his unexpected death. The end came at the home of his manager, Samuel Bernheim, 312 East Nineteenth street, and but a few hours before Mr. Seidel had been in apparently perfect health. His friends incline to the theory that it was potentia poisoning. The coroner will make an investigation today.

They were bound for Manitoba, and 17 for Dakota.

THE RATE WAR.

May Possibly Be Ended by Today's Meeting.

This means that rates will be a thing of the past, and travelers will once more have to pay full fare. Should the meeting then it would then be surprising to see rates drop again, however, the chances seem to favor a temporary restoration of rates, and if this is actually agreed upon by the Canadian Pacific and Grand Trunk to withdraw from the local rate war with honor, and with neither side being able to claim a victory.
