MAKING SPECIAL EFFORT.

VETERANS BECOME **VERY INDIGNANT**

Toronto and York County Patriotic Fund Representative

War Veterans' Association, Earlscourt branch, held in the Belmont Assembly Hall, Earlscourt, last evening, against the patriotic fund officiais, and for the failure of Graydon H. Butler, a member of the Toronto and York County Patriotic Fund, to be present and address the meeting, according to promise.

The following resolutions were unanimously adopted:

"That the Great War Veterans' Association of Canada, Earlscourt branch, demand that the Dominson Government take over the patriotic fund, to be handled by direct taxation."

Moved by Comrade Campbell and seconded by Comrade Campbell and seconded by Comrade W. Precious, "That a strong letter of condemnation be sent to Graydon H. Butler for his discourtesy to the Earlscourt branch, G. W. V. A., in refusing to attend a meeting of the members arranged to suit his convenience for the purpose of explaining the working of the patriotic fund, and that a deputation of soldiers' wives and widows present the letter and request an applosy."

Platoon Commander Chas. T. Lacey oc-

working of the particles wives and widows present the letter and request an apology."

Platoon Commander Chas. T. Lacey occupied the chair and the meeting was of a lively character thruout.

Mr. Butler's Letter.

Secretary J. Wines read the following letter from Mr. Butler:

"Since my conversation with you requesting me to attend the meeting of the Great War Veteran's Association on Monday evening I regret to inform you that I will be unable to be present. I might say in this connection that the Imperial Ratepayers' Association, of Earlscourt, are in communication with our committee with reference to having certain matters adjusted. We requested that certain members of their committee should meet certain members of our committee and discuss these matters. Probably if you got in communication with them you might be able to have a member of your society join them in meeting our committee."

No Connection With G. W. V. A. and they have enough to occupy their attention in locking after sewers, sidewalks and local improvements we will look after our own affairs," said Mr. Wines.

Numerous cases of hardship and ungair treatment were quoted by Company Secretary Sergt. Major Gustar in his charge against the officials of the patriotic fund and his remarks were frequently interrupted with cries of "Shame," "Disgrace-fui," and other epithets.

"The money was never subscribed by the citizens of Toronto to be converted into a loan to the widows of soldiers," said the speaker, "and I have it from the lips of city councilions that the large grant from the city was given by the grant from the city was given by the

into a loan to the widows of soldiers," said the speaker, "and I have it from the lips of city counciliors that the large grant from the city was given by the city to the patriotic fund for distribution to the soldiers' dependents, and not to be loaned and deducted from a widow's first pension cheque."

As an example of officialdom in the patriotic fund office the speaker pointed out the treatment received by soldiers' wives and dependents.

"They sit around for from half an hour to two hours, and if they ask to see the manager they are told to sit down and take their turn.

Civilian Organization.

"The Patriotic Fund is only a civilian organization, and as such General Logic should not send cases which refer to military matters to this fund," said Sergt.

Ald Joe Gibbons said: "The government should take over and administer the fund, which is not a charity, but a soldier's right."

Ald Fred McBrien pointed out that it was impossible for a man to get board for 60 cents a day, which is the government allowance to returned men.

Rev. E. Crossley Hunter, Central Methodist Church, and Rev. C. A. Mustard, St. David's Presbyterian Church, eulogized the G. W. V. Association in its great work of looking after the interests of the soldiers' dependents, and promised the co-operation of the churches.

Advise Against Politics.

Geo. R. Ellis, president of the citizens' committee of Earlscourt, advised the G. W. V. A to keep politics out of the society.

"If you get into the hands of politicians you will be left in the burch," said Mr.

W. V. A, to keep politics out of the society.

"If you get into the hands of politicians you will be left in the lurch," said Mr. Ellis, who advised the G.W. V. A. to continue to arouse public opinion against the working of the Patriotic Fund, and satisfactory results would be achieved.

T. S. Smithbone also spoke.
Chairman Chas. T. Lacey said: "It is fortunate, perhaps, for Mr. Buller and Sir Wm. Mulock that neither of them was present at the meeting, as the women would make it exceedingly uncomfortable for them."

Continuing, Mr. Lacey pointed out that it was a misstatement on the part of an evening paper to say that the G.W.V.A. was bringing out Sgt. Turley as a candidate for South York in the next election.

"We absolutely forbid politics in this

"We absolutely forbid politics in this organization." declared Mr. Lacey. "We are non-political, and I will resign my office if politics are introduced into the G.W.V.A."

"They will we entitled to attend the nominating convention, so that no one can tell what will happen or who will be nominated as the union candidate. There are about half a dozen local branches of the Liberal-Conservative Association in the constituency under the East York executive, but owing to the change in condition caused by the formation of a union government they are waiting action by the central executive for the calling of the riding convention. The time and place will be fixed by us, but the central executive will let us know the best open date to call it."

The president of the East York Liberal-Conservative Association was confident that the candidate selected by the joint convention would sweep the constituency. At present independent-labor is the only party to have the name of any prospective candidate prominently spoken of.
