Active Demand for Stockers and Feeders at Market Yesterday.

TRADE WAS STEADY

Prices in Sheep, Lambs and Hogs Remained Unchanged— Veal Higher.

Reccipts of live stock at the Union Stock Yards on Tuesday were 57 cars, comprising 702 cattle, 837 hogs, 78 sheep, about 300 calves, and 6 horses. Butchers' cattle—When the stockers feeders, milkers and springers were deducted from the number of cattle reported on sale, there would be not more than 600 of the fresh arrivals that were often and sold as fat. Amongst these the number of choice was comparatively small, all of which were bought at firmer values, quality considered. Common and medium cattle were firmer; one reason for this was the active demand for stockers and feeders, over 300 of these being taken in the two days, many of which had been brought in for butchers' purposes. This caused the medium butchers to sell for more money. The best loads of cattle were quoted at \$8.40, of which there were not more than three or four that brought that value. There were a few loads sold at \$8 to \$8.30. A large inumber of butchers' cattle sold between \$7.60 and \$7.90.

Stockers and feeders.—There was a good demand, all from different parts of Ontario, for stockers and feeders. Prices for these were about 25 cents per cwt. higher, in sympathy with the tendency to higher values for fat cattle. Steers, "short-keeps," 950 to 1000 lbs., \$7.55; steers, 750 to 850 lbs. \$7 to \$7.35; common light off colors, \$6.50 to \$6.75.

Milkers and springers—There was a steady trade for these. The best two days, many of wife of Edward K. Scoley, who died Feb. 5, amounts ta \$13,313. The Imperial Eank stock is to be shared by the following children, equally: Elizabeth Addison, Newmarket: Marion Held the Colors and the following children, equally: Elizabeth Addison, Newmarket: Marion Held the Universe were bought. Receipts of live stock at the Union Stock Yards on Tuesday were 57 cars,

confmon light off colors, \$6.50 to \$6.75.

Militers and springers—There was a steady trade for these. The best two ifolstein springers we saw were bought by Wm. Etteridge for \$90 each. Prices langed from \$50 to \$50.

Veal calves—Altho more of them were offered, all of killable quality sold at steady values, in fact one of the largest dealers said they were 25 cents per cwt. higher. We only heard of one calf sell-ing for \$10 per cwt. higher. We only here ing for \$10 per cwt. Sheep and lambs—Prices were firm and Hogs-Prices were firm at quotations
