

Abelard Dupuis. Esq
Baron. Out

June ~~may~~ 1st '87

S/S/S/

Sir,

As the Walpole Island Indians
have expressed a desire that you
should be instructed to extend your
investigation to that Reserve, I think
that it would be advisable in order
to prevent jealousy and the part of the
Indians that you should
do so.

Will you be good enough
therefore to visit Walpole Island
and ascertain and report

Confidentially upon the condition of matters
generally affecting the Indians
at that Reserve

Yours
