To Regain Health Cleanse the Blood

When your blood is impure, weak, thin and delicate you cannot possibly enjoy good health. Your system becomes receptive of any or all diseases, and germs are likely to lodge in some part of the body.

Put your blood in good condition, and do so once. Hood's Sarsaparilla acts directly and peculiarly on the blood—it purifies, enriches and revitalizes it and builds up the whole system.

Hood's Sarsaparilla is not a cure-all. It has stood the test of forty years and is used all over the world. Get it and begin treatment today. It will surely help you. Sold by all druggists.

PROHIBITION HELPFUL TO BROCKVILLE INDUSTRY

Canadian Carriage Company Reports Good Results of the Change

Toronto, Jan. 29.—A striking example of the good effects of the Ontario temperance act is shown by the following letter received by the Canadian Carriage Co., Ltd., Brockville, which "T. J. Storey writes to the good results of this change.

"Mr. Taber, the inspector here, has asked us to give our experience of conditions existing here, September 1916 as affecting liquor and the license law. We have no hesitation in testifying as to the good results of this change. We believe we employ as high a class of mechanics as any industry in the country, and have always discontinued drinking to the extent of not employing men who are habitual drinkers, but even make provisions for a shortage of men after pay day, when we have had to dismiss this entire force from our troubles. So far as we have heard there has only been one case of drunkenness since the change, and that was the result of a fine of between \$40 and \$50. Outside of this we do not know of any other case.

"We believe the men are equally well pleased with the change of conditions. These conditions are becoming universal. The men who were not in favor of so strong a license law that they are well pleased with the result of a day in St. John myself. The loss to him was a heavy one, but if it worked out as well as it was apparently doing now he was prepared to stand the loss."

Says the Grand Jury Should Go

Obsolete and Should Be Abolished, Declares New York Lawyer

Cites the Osborne Case

In the Hands of an Unscrupulous District Attorney It Can Lead to Oppression, He Adds

The grand jury has become obsolete and should be abolished, according to George Gordon Little, a former Assistant District Attorney in New York, and long a prominent lawyer here. He spoke on the subject "Has the Grand Jury Outlived its Usefulness?" at the Bronx Opera Forum, in the Morris High School.

He briefly outlined the history of the grand jury, starting with its birth in England, where it originated as a means of defense against oppression by the king. After showing how the subjects of the king used the grand jury and giving specific cases where the jury had failed to agree with the crown and as a result were locked up, thereby causing almost civil war, Mr. Little said:

"The grand jury was an excellent thing in its time. But now there is no king or ruling power likely to oppress the people and they do not need its help. Now even the governor cannot issue a warrant of arrest—this must come from the judicial department of the government. The people need no protection from the ruling power; instead, they must guard against abuse of the judicial power."

"In the grand jury proceedings are secret and one-sided. The defendant or his lawyer do not appear, nor have they the right to examine witnesses. Their side of the question at stake is not considered. The result is that the grand jury acts upon the evidence that is presented to it, and the evidence that it alone brings before it."

"The law says that only legal evidence shall be brought before the grand jury. The defendant does not know what evidence is brought against him, and he has no right to examine witnesses. Their side of the question at stake is not considered. The result is that the grand jury acts upon the evidence that is presented to it, and the evidence that it alone brings before it."

"Yes," said the lawyer, "the price," "Well," remarked Tommy, smiling, "I give a German a punch on the nose for it, and I'm quite ready to give you two if you'll mend it."

Engagement Announced... Counselor and Mrs. H. D. Lamont, of Glasgow, Carleton county, announce the engagement of their daughter, Miss Hilda M., to Robert J. Ronald, of West Glasgow. The wedding will take place on January 31.
