DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Hurts or Bladder Bothers, Drink Lots of Water

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a little water, drink which excites the kidneys and irritates the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts, take about a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and you'll doubt you'll wonder what became of your kidney trouble and backache.

PARIS RETURNS TO SIMPLE GOWNS TO FOIL "DRESS SPIES" OF THE WARRING NATIONS

Paris, France, March 4—Harem skirts, diaphanous dresses, and other dressmakers' atrocities are to pass into the limbo of things forgotten, and no similar fashions are to be foisted on a long-suffering public. This is a phase of the war which was revealed by the head of a world-famous house.

It appears that the Parisian houses were driven to create eccentric dresses to make it difficult for the professional spy to reproduce them successfully during the month of August, when the Rue de la Paix prepares its models for the winter season. These models were purchased at whatever price was asked and in a few weeks London, Paris, Vienna and New York, and Berlin were flooded with copies of the latest Parisian styles, at prices that defied competition.

According to the president of the Syndicat de la Couture, the spies also bribed many of the cutters to take copies of the patterns.

The German dressmakers, they say, had their share in the "spying." Thus the end of the war is looked forward to for reasons other than the resumption of business.

It is believed that Paris will now be at liberty to return to the creation of fashions for which she is renowned.

The present influence of the war on women's dress is not likely to decrease with the continuance of the European conflict, but it is said the spring fashions will be simple and the materials of sober hues, in keeping with the period of stress through which the allied nations are passing.

In The Police Court.

Mrs. William E. Montford and George Best were committed for trial by Magistrate Ritchie yesterday afternoon on a charge of adultery laid against them by the husband of the former, who is a member of the Divisional Ammunition Column, Fredericton. J. L. LeBlanc appeared for the plaintiff and E. S. Ritchie for the defence. Mr. Montford said he was anxious to find his little girl and could not do so.

Phillip Thomas, charged with begging and using abusive language to John Dobbin was before the police court yesterday and was remanded. George Forrester, a cripple, charged with being drunk and trespassing on the I. C. R., was remanded also.

SAVE YOUR HAIR! IF FALLING OUT OR DANDRUFF—25 CENT DANDERINE

Ladies! Men! Here's the Quickest, Surest Dandruff Cure Known

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not removed causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—any time—will surely save your hair. Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
