

ALL SET FOR THE  
TOURIST ANNUAL

Dates, June 22 and 23, Con-  
firmed This Morning  
Sackville Meeting Place.

Tentative dates arranged last evening  
for the annual meeting of the All-  
New Brunswick Tourist, Game and Re-  
sources Association are now definite, fol-  
lowing a long distance conversation this  
morning by C. B. Allan, the secretary,  
with C. C. A. Ward of Sackville, county  
vice-president, in whose home town the  
annual meeting will be held. The dates  
are Wednesday and Thursday, June 22  
and 23—a business session on the evening  
of the 22nd, another on the morning  
of the 23rd; a drive through the dyke  
country and to historic Fort Cumber-  
land in the afternoon of the 22nd; a pub-  
lic meeting in the evening, with ad-  
dresses by prominent speakers and mo-  
tion pictures of wood life in the pro-  
vince.

Mr. A. Ward was very enthusiastic over  
the programme outlined, and is lending  
his best endeavors to have complete ar-  
rangements made for the comfort and  
care of the delegates while in Sackville.  
Mr. Allan also had a message from  
Harry Allan, noted guide, that he will  
be on hand and bring with him his  
series of wood scenes, including some  
new ones. It is the hope of the tourist  
executive that every county in the pro-  
vince will be represented at this meet-  
ing, which it is hoped will do much to  
further the promotion of the province  
as a place of wonderful attraction for  
the tourist.

Delegates from here will leave on June  
22, on a 1.15 p. m. train (Atlantic time),  
arriving in Sackville about 6 o'clock the  
same afternoon. It is planned to have  
a sleeping car in readiness on the siding at  
Sackville, so that the delegates can board  
it after the evening meeting and be  
brought to St. John by the taxi-having-  
ing here about 6.30 on Friday morning.  
The leaving hour of 1.15 p. m. was sug-  
gested as the most suitable, as this ar-  
rangement would enable delegates, living  
along the river points, such as Frederic-  
ton, Woodstock, etc., also St. Stephen,  
to leave their homes that same morning  
and join the St. John delegation here.

GREAT LOT OF  
FINE WINE, BUT  
NO ONE TO BUY

Essex, June 2.—Ninety million litres  
of nearly a billion glasses of port and  
other expensive table wines are lying  
in the cellars of wine growers and mer-  
chants in northern provinces of Portugal,  
and there is not a foreign market in sight  
to take them. The growers and vendors  
have 68,000,000 litres of other vintages,  
which also cannot be sold at present,  
and as a result the country is facing an  
agricultural and economic crisis.

ONTARIO CROPS

Toronto, June 2.—A summary of re-  
ports made by the agricultural repre-  
sentatives of the Ontario department of  
agriculture on June 7, shows a favor-  
able outlook. Early sown spring grains,  
where not put in a heavy clay, are look-  
ing well. Field corn later sown is not so  
promising, though recent rains are help-  
ing them along.  
Fall wheat is coming nicely into head  
in some counties, and is looking more  
thrifty than it did during the dry period  
in May, as timely rains have been very  
helpful. Rice has headed out and is fill-  
ing well. Clover is rather patchy in  
places and somewhat short in stand, and  
is not likely to give an average yield.  
Orchard fruit, with the exception of  
cherries, is promising fairly good yields.  
Strawberries were affected by the frost,  
although a fair yield is yet assured.  
A fair average of potatoes is being  
planted, considering the discouraging  
prices now prevailing. Some of the  
early sorts are looking promising.

IN WALL STREET

New York, June 2.—Very  
moderate conditions at the opening of  
today's stock exchange. Prominent  
steels and equipments were materially  
lower, but the junior oils, copper and  
other metals were higher. Within  
the first fifteen minutes, losses of 1 to  
1 1/2 points were registered by Mexican  
and Pan-American Petroleum, Royal  
Dutch, Canadian Pacific, National Lead,  
Aphelt, China Copper, National Lead,  
Oils, Elevator, Missouri Pacific, and New  
Ontario, Texas and Mexico were higher  
by fractions to 1 1/2 points. Preliminary  
quotation indicated further irregularity  
in foreign exchange.

NOON REPORT

Price changes became more irregular  
during the active forenoon. After the  
early covering movement had run its  
course, shorts renewed their attacks  
against oil, steel and sugar. These  
shares declined to 2 points with cop-  
pers, equipments and textiles. An open-  
ing rate of 7 per cent for call money and  
gains of 5 and 6 points, respectively, for  
Atlantic Coast Line and Louisville and  
Nashville effected variable recoveries.  
These were cancelled before noon, how-  
ever, when oils and steels developed re-  
current heaviness. Exchange on London  
was weak, falling four cents under yester-  
day's final quotation.

HAMILTON CONFERENCE  
OF METHODIST CHURCH

Hamilton, Ont., June 2.—The Hamil-  
ton conference, at its closing session yes-  
terday, resolved that a strong appeal be  
made to the dominion government with  
a view of putting a stop to race track  
gambling.

The conference decided that during  
the next year appeals for financial aid  
from sources other than their own bodies  
would be reduced to the minimum. It  
was shown that during the last year con-  
gregations had been burdened unduly  
with "days set apart for this and that  
financial appeal."

PRESBYTERIAN  
WOMEN MEET

Attendance Not Large, but  
Good Spirit at the Opening  
Session.

The opening of the business sessions  
of the thirty-second annual meeting of  
the St. John presbyterian, in St. An-  
drew's church this morning, was marked  
by an address of welcome by Mrs. J.  
Thomson, the appointment of com-  
mittees, the president's address, and the  
reading of papers dealing with the work  
of the Women's Missionary Society.  
There was a fairly good attendance and  
enthusiasm was manifested. Mrs. R. D.  
Ross of St. Stephen, the president, oc-  
cupied the chair.

Mrs. Thomson said it gave her great  
pleasure to meet with the ladies again,  
though she regretted that the attendance  
was not larger. This was, perhaps, due  
to the fact that a different arrangement  
regarding the entertainment of delegates  
did not prevail and she forecasted a  
pleasant time for the women who were  
not present were the women who were  
needed and some effort must be  
made to bring these in. Missionary work  
was upheld work and work that required  
much energy and concentration and it  
was necessary that all should put their  
shoulder to the burden and by active  
cooperation bring all together. She  
spoke of the pleasant meeting at Sussex  
last year, which she characterized as one  
of the best that ever been held and  
hoped that much good might come of  
this meeting in St. John.

In reply on behalf of the visiting dele-  
gates Mrs. B. M. McKenney, of McKenney  
Corner spoke of her disappointment at  
seeing so few in attendance, but was of  
the opinion that much might be accom-  
plished if all worked hard and put their  
best into it. She thanked Mrs. Thom-  
son for the kindly welcome.

She then announced the ap-  
pointment of the following committees:  
Nominating committee, Mrs. A. R. Mc-  
Lore (convener), Mrs. J. S. Morrison,  
Mrs. J. S. Merrieth and Mrs. J. S. Mc-  
Lore; resolutions committee, Mrs. F. S.  
Dovey; and the secretary, Mrs. J. S. Mc-  
Lore.

After roll-call the reports of some of  
the county vice-presidents were heard.  
The report for York county, prepared by  
Mrs. E. Bell, was read and told of  
visits to various parts of the country.  
The report for Charlotte county was  
presented by Mrs. J. S. Morrison; St.  
John by Mrs. James McTavish; Carleton,  
Mrs. J. S. Merrieth. All told of  
the work of the year and of the  
state of the auxiliaries.

In her address as president Mrs. Ross  
recounted events of the year.  
The president thanked for her  
material and was accompanied by  
Rev. Samuel Howard, who was elected  
representative on the station committee.
