Johnny Coulon Must Beat Frenchman To Hold World's Title

By TOM ANDREWS

The matching of Johnny Coulon, of Chicago, bantam-weight champion, with Kid Williams, of Baltimore, who has been a persistent challenger since he fought Johnny ten rounds in New York eight months ago, by Tom McCarey's club of Los Angeles, will not be for the world's title, as many writers announce. Coulon does not hold the world's title, but the championship of America. Charlie Ledoux, a French boy, is the champion of Europe.

The last time that an international battle at the beat Frankie Night, was in 1908, when Joe Bowker fought Ledoux in London and was accepted as the world's champion afterwards. From that date down to October, 1909, Bowker successfully defended his title against all comers. The only defeat he sustained during that time were from Jim Driscoll, Al Delmont, Charlie Griffin and Sammy O'Toole, none of whom were capable of making the bantam-weight limit and, excepting in Driscoll's case, the bouts were of short duration. In October, 1909, Bowker was matched with Digger Stanley at the London National Sporting club for the world's title, and Stanley won by a knockout in eight rounds. Last London National Sporting club for the world's title, and Stanley won by a knockout in eight rounds. Last year Stanley's hold on the championship passed to Ledoux, who put the Britisher to sleep in seven rounds, and there the matter rested so far as Europe is concerned. Coulon's record, brilliant as it is, consists of victories over American boxers only, and the contention of European critics that Coulon should beat Ledoux first before grabbing the world's title, seems a pretty sound argument. Ledoux has just recently arrived in the states from France and is now located in Boston, where he had a bout and expects to have another soon. The French boy is anxious to get on with Coulon for the world's title, and that is the principal reason for his arrival. He can afford to wait a while, however, and take on the winner of the Coulon-Williams match, providing the winner does not want too much time before engaging in another real contest.

CHURCH PARADE OF CARLETON MASONS

The members of Carleton Union Lodge, Free and Accepted Masons, fittingly celebrated the festival of their patron, St. John the Baptist, last evening by church parade and service in the First Presbyterian church, West Side.

They left their rooms at 7:30 o'clock and, headed by the Carleton Cornet Band, marched to the church, where a very impressive service was carried out by Rev. J. A. Morrison, assisted by Rev. G. F. Scovell. The service opened with an organ prelude by the organist of the church, Miss Gladys Wilson, and was followed by the hymn, Glorious Things of Thee Are Spoken. The invocation was recited, followed by the Lord's prayer, and the Psalm, All People that on Earth Do Dwelling. Mr. Scovell then read Psalm CXXII, and J. Percy Cruikshank sang the solo, Abide With Us, and the hymn, O God, Our Help in Ages Past, was sung.

Rev. Dr. Morrison delivered an excellent sermon fitting to the occasion, which was followed by prayer and the hymn, Lead Kindly Light. The services were brought to a close with the prayer and benediction, and the members returned to their hall, where refreshments were served.

After the service the members of the lodge marched to their hall and partook of the good things provided. G. M. Baile, W. M., presided and brief addresses were made by the other officers. Besides the worshipful master the other officers are: S. W. J. Firth, British; J. W. G. M. Kenneally; S. D. Jarvis Wilson; J. H. Giles Allen; S. S. Samuel Irons; J. S. Wm. Stewart; I. G. Frank Stuart; O. G. Percy Cruikshank; secretary.

CHANGES IN TARIFF AND INCOME TAX BILL

Washington, June 24—Radical changes in the income tax plan of the Underwood bill, and alteration of the administrative features of the measure to overcome most of the objections raised by foreign governments, were agreed upon in a tentative way today by the Democratic members of the senate finance committee.

The income tax, under the new plan would apply to individual incomes over \$3,000, but would make important exceptions for individuals, municipalities, civic bodies and mutual insurance companies, under certain restrictions.

Changes in the administrative sections include a new provision giving the president authority to increase tariff duties against certain foreign articles coming from countries that discriminate against the United States.

The proposed five per cent. concession in tariff on goods brought in American ships; the anti-dumping clause, and the provision giving the United States authorities "inquisitorial powers" to examine imports.

TROUBLED WITH KIDNEYS COULD NOT SWEEP FLOOR.

It is hard for a woman to look after her household duties when she is suffering from a weak and aching back, for no woman can be strong and well when the kidneys are out of order.

The weak, lame and aching back comes from sick kidneys and should be attended to at once so as to avoid years of suffering from the kidney trouble which is sure to follow if the back is neglected.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble.

Mrs. Joseph Throop, Upper Point De Butte, N.B., writes:—"I cannot speak too well of Doan's Kidney Pills. For two years I was so tired, life was a burden and I got up more tired than when I went to bed, and my back was so lame I could hardly straighten up. I took different kinds of medicine, but none of them did me any good until a friend advised me to try Doan's Kidney Pills. I did so and to-day I don't know what it is to be tired and my lame back is all gone. I can recommend them to any person suffering with lame back and that terrible tired feeling."
