## Western Union Smoker

The Bay Roberts Staff of the Western Union Telegraph Co. held their Annual Smoker at the Staff House on Thursday night. Invitations were extended to a number of citizens, and those who attended certainly enjoyed a pleasant hour.

Mr. W. T. Jones, the genial and popular Supt. of the office, acted as chairman, and filled that position in his usual capable and satisfactory manner. On behalf of the staff he welcomed the guests of the evening among whom were Messrs. Hinton, Sutherland and Furneaux, of the Imperial Cable Co. at Harbor Grace. After stating that the affair would be an informal one, all present were given the "freedom of the Staff House" which was readily and gladly accepted.

Mr. M. D. MacDonald presided at the piano, and a programme of songs, recitations and speeches was rendered. Most interesting were the large number of songs composed by our local bard Mr. MacDonald. These were rendered by different vocalists and were greatly appreciated. All the performers executed their parts so excellently that no distinction could be attempted.

### PROGRAMME

Chorus—"Hail! Hail! The Gang's All Here."

Song—Mr. George Butt.  
Song—Mr. Ed. Keefe.  
Song—"Billiards,"—Mr. S. A. Smith.  
Duet—Messrs. John Kiely and Arthur George.

Recitation—Mr. Geo. Dawe.  
Recitation—Mr. J. Ploughman.  
Song—Mr. James Joy.

Popular choruses were sung by the company intermittently during the evening.

Before leaving for the train Mr. Hinton, Supt. of the Cable Office at Harbor Grace, on behalf of himself and his staff, expressed his pleasure at being present. He regretted having to leave early to catch the night train.

During the interval refreshments were served by the Committee consisting of the following gentlemen—Messrs. Bellamy, George, Ulph, Bemister, Joy, Bateman and Wilf. Mercer.

At the conclusion of the event a vote of thanks was moved by Mr. C. E. Russell, on behalf of himself and the other guests, which was responded to by the Chairman. The affair concluded with the singing of the National Anthem.

## A Flour that's at the Head of the procession of Bread Makers is Cracker Jack

It has a natural and earned right to take such high rank, because the Wheat from which it is made, the skill, care and cleanliness used in its manufacture, prove our claim that Cracker Jack Flour is the best made.

### SUPERINTENDENT HONORED.

A very pleasant event took place on Thursday night, Feb. 14th, at the home of Mr. Isaac Snow, when the Officers and Teachers of the Meth. West Sunday School gave him a Surprise Party on the occasion of his 50th birthday. For a long number of years he has given faithful and devoted service to everything pertaining to the advancement of the Sunday School, and in view of this his associates were prompted to say in a tangible way, "We appreciate your work."

A very suitable address was read by Rev. S. Baggs, on behalf of the Sunday School, while the presentation of a beautiful walking cane, bearing Mr. Snow's initials, was made by Mr. Geo. Cave, asst. Superintendent. Mr. Snow, in replying was very much pleased and touched by this mark of esteem on the part of his co-workers, and assured them that the occasion of his having reached the 50th milestone on Life's way would always be a bright memory for him.

Refreshments were served and a social hour spent, to the enjoyment of all present.

We may not concede that the United States has a monopoly of Brains, but we fully admit that Brains are more utilized and better appreciated than they are in this country.

Capt. Arthur Littlejohn, S.A., who was in charge of the Salvation Army Corps at Brighton, N.B., is on furlough at present through illness, and is visiting his parents at Coley's Pt. He will be resuming work again in about two weeks' time.

A delightful Valentine Party was held on Wednesday night, Feb. 13th, in the C. of E. Schoolroom, Coley's Point, by a number of the young people of that place. It was well attended and the evening passed pleasantly with music, songs and games. The gathering was again favoured with a rare treat of mandolin music from Mr. J. Hayward.

Mrs. N. Andrews, of St. John's, arrived here by Monday night's train and will spend a few days with friends.

A young lad named Ralph Barnes, aged 9 years, of Bell Island, had a leg broken 1 1/2 weeks. His injuries were attended to by Dr. Giovanetti.
