Those Who love Diamonds

Diamond Hall
Ryrie Bros.

Will find much to interest them in our stock. Our assortment of Diamond set "AIGRETTES," "PENDANTS," "RINGS," "PINS," "BRACELETS," and "UNSET STONES" is the largest and finest shewn in Canada.

The fact that we select all our stones PERSONALLY FROM THE HANDS OF THE CUTTERS IN AMSTERDAM enables us to offer value not otherwise possible.

Upon the style of "OUR MOUNTINGS," we pride ourselves, as in addition to the work of our own designer, our frequent visits to the Home and Foreign fashion centres, secure for our patrons the very newest.
