

Local News.

—The Mudmark dredge was hauled out on Turpin's way on Saturday for some slight repairs.

—High school cadets paraded at the drill hall at 10 o'clock on Saturday for instruction under Sergt. Major Mulcahy.

—The Ladies' Aid Society of the First Presbyterian church have decided to hold an Easter social on Wednesday evening, the 6th April.

—Smith Curtis, of Rossland, is in the city on private business. He reports that throughout the interior of the province there is lively interest shown in the mining industry.

—The annual returns of the health statistics of the navy for 1903 show that the Pacific station enjoys the pre-eminence for freedom from diseases, says a London dispatch.

—The regular meeting of the Women's Auxiliary Society, Provincial Royal Jubilee hospital, will take place on Tuesday next at 2:30 p.m. at the city hall. A large attendance is expected.

—The reward offered for the recovery of the body of Mrs. C. E. Bolton, of Cranbrook, who was among the victims of the Callahan disaster, has been paid over to the Port Angeles parties who found it.

—The crusade for permanent sidewalks is now in full swing. Ald. Vincent has given notice of motion providing that a permanent sidewalk be laid on the east side of Wharf street, from Port to Bastion square.

—Sealed tenders addressed to Fred Gelinas, secretary department public works, Ottawa, will be received until Tuesday, April 12th, inclusive, for the construction of an addition to the National post office. Plans and specifications may be seen at the post office, at Nanaimo, and the office of Wm. Henderson, clerk of works, Victoria.

—The electric fixture and supply house, hitherto conducted on Port street by Carse & Metcalfe, has been purchased by Stevens & Hawkins, who will henceforward manage the establishment. Both are well known young men of the city, and intend to carry on a general business as electrical engineers and contractors, making a specialty of armature winding.

—The funeral of the late Bertel Emil Olsen took place on Friday from his private residence, No. 37 View street, at 9:45 o'clock, and at 10 at the Roman Catholic cathedral. Rev. Father Van Goethem conducted the funeral services at the church and grave. There was a large attendance of friends, and many beautiful floral designs. The following acted as pallbearers: A. C. Polhamus, W. Smith, S. Copeland, J. Devine, J. Clegg and R. Raffelson.

—A committee of the board of trade waited on His Worship the Mayor on Saturday morning with reference to advertising Victoria in the Montreal Star. After discussing the matter, it was arranged that His Worship should convey to Mr. Williams, the Star's representative, an intimation that they were prepared to enter into negotiations. It is understood that the Star's proposition was \$2,500 for a six months' half column advertisement and \$20,000 for a half page from the government.

—Ald. Vincent has a notice of motion on the city hall bulletin board providing that a sum be included in the estimates to enable the city to be lighted by electricity every night in the year. This, plainly, is to guard against a repetition of a number of experiences which must be made to the city by the city of Victoria last year. It will be remembered that on several occasions when the modest moon refused to shed its radiance in this place, the city was plunged in darkness, and the limbs of visitors wandering around were in constant danger.

—The trout fishing season opened Friday. Enthusiastic followers of Izak Walton will be able to pursue their favorite pastime for almost eight months to come. The season will be closed by the city on the 15th of November next. Fishermen have been preparing rod and tackle for several weeks, and the trains to-morrow and Sunday will be crowded with anglers. The city will be a busy place, and the E. & N. railway, traffic manager of the E. & N. railway, has reduced the fares to Shewanville, Cowichan and Duncan for the convenience of anglers. The fare to Shewanville will be \$1.60 and to Duncan \$2. It is the general opinion that there will be exceptionally good fishing this season.

—There was a large attendance at the bazaar and entertainment held Thursday afternoon and evening under the auspices of the Ladies' Aid Society of the First Presbyterian church, Spring Ridge, at Temperance hall. The booths were well patronized, and the refreshments, which were served during the afternoon, were much appreciated. The evening's programme consisted of vocal and instrumental selections, followed by the drama "Cinderella," by the members of the Oak Bay Dramatic Club. Those who took part in the latter excelled themselves, and their performance elicited deserved applause. Members of the committees in charge of the arrangements deserve every praise, as the entertainment was undoubtedly an unequalled success.

—The concert at the Vesuvius public hall on Friday, March 25th, under the management of Rev. Mr. Stevenson, pastor of the Methodist church, Salt Spring Island, was a grand success, the hall being crowded to the doors. The programme was a lengthy one. Soloists, choruses and recitations were rendered by local talent. Those who took part were: Miss Patterson, Miss Edwards, Ross Lee, Miss Mollet, Miss Lisk, of Nanaimo, Mrs. Hore, Mrs. Lee and J. A. Harrison. A. Cook acted as accompanist. Miss Lisk's recitations were, as usual, loudly applauded, and J. A. Harrison's singing was much appreciated. W. Mowat discharged his duties as door manager in a capable manner. After refreshments were served "God Save the King" was sung bringing a most enjoyable evening to a close.

NEW WHARF WILL NOW BE ERECTED

PERMISSION SECURED FROM GOVERNMENT

Freight Shed With Large Capacity Will Be Constructed—Design of Structure to Be Built.

Permission having now been obtained from Ottawa for the construction of the new C. P. R. wharf in James bay, work will be begun on that structure just as soon as the necessary arrangements can be made. That it has not been commenced at an earlier date has been no fault of the C. P. R. Company. Objections had been raised, and these had to be considered. Plans had been laid before the department at Ottawa, and the question had to be officially deliberated on.

Reference has heretofore been made to the new wharf in these columns. The plans call for a pile wharf of an L shape. It is hoped eventually to have a stone walled seafront, between which and the section paralleling it and extending out into the bay, the steamers will be able to come up and down. In this respect the wharf will be of an up-to-date pile design, such as is frequently seen in big cities, and such as will facilitate the handling of cargo. On the main structure will be built a shed equal in area to all the sheds on the waterfront, from the old Kingston wharf down to the E. & N. bridge.

The C. P. R. Co. has a frontage on the Belleville street side of James bay of about 640 feet, but all this will not now be utilized. About 400 feet will be built on. On the main structure will be built a shed equal in area to all the sheds on the waterfront, from the old Kingston wharf down to the E. & N. bridge.

The wharf approach will be from Menzies street. A ticket office will be built in the eastern end of the shed, and possibly in course of time other offices will be added. When the wharf is whole, when complete, will be kept in good condition, so that the bay will not be in any way disfigured by the structure. It will, however, be kept up to, but not into, the Raymond property.

As stated there has been considerable trouble about getting the necessary permission to build the wharf. On Friday, however, the Dominion government informed the board of trade that he had been asked for an opinion by the Dominion government as to granting permission for the C. P. R. Company to construct a wharf. The communication was turned over to the board of trade for consideration, whereupon the president secured a copy of the plan of the proposed wharf, and very thoroughly into the matter, having summoned an immediate meeting of the council for the purpose.

After examining the plans and considering the advantages to be derived therefrom, the council of the board of trade then waited upon His Worship the Mayor with the plans in hand, and His Worship, after a short consultation with the Engineer Topp, upon receipt of a favorable report from this officer His Worship telegraphed to Senator Templeman asking that he be allowed to proceed with building operations at once. On Friday last another telegram was sent to Senator Templeman stating that the board was in favor of the project, and that had been made. In reply a dispatch stated that the matter would receive the attention of the Dominion government.

On the following day, on learning this the Times wired its special correspondent for information, and received a telegram, too late for publication on Saturday, that the C. P. R. Co. had obtained the necessary permission.

—H. M. S. Shearwater arrived in Esquimalt from her southern waters at the Times went to press Monday.

—The steam collier Hero had a wild experience on her last down trip from Ladysmith for San Francisco. A gale carried away the foreward bulkhead of the ship, and the windows and doors on the starboard side, flooding the decks to the rail and doing considerable damage about the decks. The Hero, laden with 5,200 tons of coal, was hove to for 30 hours, during which time it was impossible for anybody on board to get either forward or aft.

—Further information has been received from the north regarding the death of R. C. Davis. When Pelly River was reached he complained of not feeling very well, and told the remainder of the party to go on and leave him. He was taken care of by a doctor with him, and when Mr. Davis was taken over it was found that he had congestion of the lungs. He was unconscious all night, and died at 10 o'clock the next morning, without regaining consciousness. The body is expected down on the next boat from the north.

—On Friday evening the last social and concert for the winter months was given at the Craigflower public school house, under the auspices of the Craigflower Amateur Dramatic Association, before a crowded house. A lengthy programme was provided, consisting of piano and violin solos, songs, recitations, etc. A very pretty feature was a song by the school children, under the instruction of Mr. Roe, the teacher. Mrs. Roe was kindly presented with a bouquet, and the association was complimented on the success of the evening.

—The playing of the Ladysmith eleven was not as good as was expected. The forwards did not play a very combination game. Adams, at centre forward, put up a splendid individual game, and succeeded in scoring the only goal made by the visitors.

During the game the ball was put through once by Anson, of the Flora team, but the goal was disallowed, owing to one of the full backs fouling the ball before it went through the goal.

—The standing of the league follows: Played, Won, Lost, Draw, Points. Victoria 4 3 0 1 7, Columbia 4 1 1 2 4, Nanaimo 4 0 3 1 1.

—H. M. S. Flora, 2; Ladysmith, 1. This was the result of an Association football match played on Friday afternoon at the Caledonia grounds between the teams mentioned. As the score indicates the game was evenly contested.

The game was a very well contested one, and the forwards did not play a very combination game. Adams, at centre forward, put up a splendid individual game, and succeeded in scoring the only goal made by the visitors.

During the game the ball was put through once by Anson, of the Flora team, but the goal was disallowed, owing to one of the full backs fouling the ball before it went through the goal.

SPORTS

The Garrison and Victoria Association football teams played the deciding game of the local Provincial League series on Saturday afternoon at Work Point. After one of the best exhibitions seen this season the former eleven won out by a score of 3 goals to 1. There was a large attendance, both of civilians and soldiers, and exceptionally good plays on either side elicited applause.

The turf was in splendid condition, and this, of course, made the playing much faster and more exciting than would otherwise have been the case.

There was a slight wind during the first half, and the Garrison team was fortunate enough to win the toss, and the right to play not only with the wind but down hill. With this advantage, and also through some remarkably good playing by the Garrison forwards, the local team's goal was subjected to an almost continual bombardment during the first portion of the match. Occasional shots were made, but they were all either wide or over the bar.

There was a slight wind during the first half, and the Garrison team was fortunate enough to win the toss, and the right to play not only with the wind but down hill. With this advantage, and also through some remarkably good playing by the Garrison forwards, the local team's goal was subjected to an almost continual bombardment during the first portion of the match. Occasional shots were made, but they were all either wide or over the bar.

The first attempt was between the chief and Berg. Considerable interest centered in this event, because it was the first time the Whatcom team wrestled before a Victoria house. His splendid chest and muscular development aroused general admiration, and his clever work elicited repeated applause. But, despite his splendid show, there was little doubt as to the outcome. The chief was easily overpowered, and the Whatcom team won the match.

The chief was easily overpowered, and the Whatcom team won the match.

FOR THE CHAMPIONSHIP.

As a result of Saturday's game between the Garrison and Victoria teams, the former has won the right to play with either Nanaimo or Ladysmith for the championship of British Columbia. According to the constitution of the league this deciding match must be played at the Cox City. Which team the soldiers will have to play is not yet known. A series of games is now in progress between the Nanaimo and Ladysmith teams, and the winning aggregation will meet the Garrison eleven.

WRESTLING.

TWO FEATHERS WON.

There was a rather small attendance at the wrestling match in A. O. U. W. hall on Saturday night in which the principals were Chief Two Feathers, John Berg and D. McMillan. The original programme had a preliminary contest in which Jack O'Neill was to throw fifteen bluejackets in an hour or forfeit a stake. Unfortunately the attack made by the bluejackets, owing to an accident to one of the tars who had sprained his wrist. This misadventure on the part of a messmate, Green by name, damped the enthusiasm of the others, and after a considerable wait Mr. McMillan announced that the bout would not take place.

The match was then proceeded with. The conditions were that Two Feathers should wrestle with McMillan and Berg alternately and the side getting the best of three would win the match. The conditions were especially onerous for the Indian. He had been working pretty hard during the past week and therefore could have been in his most satisfactory form. Nevertheless he proved equal to the task allotted to him, throwing Berg twice and McMillan once.

The first contest was between the chief and Berg. Considerable interest centered in this event, because it was the first time the Whatcom team wrestled before a Victoria house. His splendid chest and muscular development aroused general admiration, and his clever work elicited repeated applause. But, despite his splendid show, there was little doubt as to the outcome. The chief was easily overpowered, and the Whatcom team won the match.

The first attempt was between the chief and Berg. Considerable interest centered in this event, because it was the first time the Whatcom team wrestled before a Victoria house. His splendid chest and muscular development aroused general admiration, and his clever work elicited repeated applause. But, despite his splendid show, there was little doubt as to the outcome. The chief was easily overpowered, and the Whatcom team won the match.
