HAS MENDED HIS WAYS :- Alfred Gover following resolution was unanimously of-Cross Creek, who figured prominently before the public some months ago, was in the city to-day. Mr. Gover has been prospecting in the Cross Creek gold district, and has some fine specimens of quartz rock. In speaking of the unfortunate affair which took place there last May, Mr. Gover says that since he returned home, the best of order has prevailed. He says he has made up his mind never to use liquor again, and to live a Christian life.—Fredericton Herald.

A FINE MOOSE HEAD attracted considerable attention at the office of County Game Warden Wyse yesterday forenoon. The beens spread 41 inches and had twenty points. The animal measured 12 ft. 5 inches from the noise of the house to the heels and here for the court, that a copy to the local press."

adopted:—

"Whereas, the Supreme Ruler of the universe, in His infinite wisdom has seen universe, in His infinite wisdom has seen to take unto Himself, the youngest child of our esteemed brother, James P. Wetmore, Therefore resolved: That this Court heat a copy is the seen that the commissioners have ever assumed any charge or responsibility in the matter. At the time the Pilot Master's complaint was made there were some \$6,000 on hand.

A FINE MOOSE HEAD attracted considerable attention at the office of County Game Warden Wyse yesterday forenoon. The beens spread 41 inches and had twenty points. The animal measured 12 ft. 5 inches from the noise of the house to the heels and of Cross Creek, who figured prominently

points. The animal measured 12 ft. 5 inches from the point of the nose to the heels and weighed about 1200 fbs. He was shot only two miles from Bay da Vin river by special Backley. Fraser put a ball into him, but as he didn't fall at once Buckley fired and finished him. Mr. Fraser started out with Mr. Buckley on Monday with the object of gatting a good head and had gone only two miles from home on a portage road when he meet the handsome specimen so easily secured. He says there is no trouble in getting moose in that part of the country.

The Bridge Works Building was constructed about two years ago and extended this summer. The dimensions were so fit. x 72 ft. The building was worth about \$1,000 and the insurance is only \$500. The heavy loss, however, comes in the machinery, as the establishment was well fitted up for its work. It contained a really ask is the right to live." What they really ask is the right of six men to the contained as the fitted up for its work. It contained a really ask is the right of six men to the fitted up for its work. Buckley. Fraser put a ball into him, but as

The Miramichi Pilotage Difficulty. Judge Barker delivered judgment in the relation of Walls va. Miller et al-which the Miramichi pilotage injunction case—diamissing the bill with costs to be paid by the plaintiff. Judge Barker, in dismissing Now is the the case, held that quo warranto proceedings were the proper ones to have been taken in the case. He said nothing on the merits of the matter at issue. Mesers Pugeley and Tweedie for the plaintiffs and Currey and Lawlor for the defendants. The action of Judge Barker leaves the

questions of the validity of the regulation numerous readers if they will enable us to made by the governor in council, under make reference in our local columns to which the new pilots were appointed, and matters and events in which they are in- the legality of the appointment of the new DIED AT BATHURST :- A Bathurst des- terested, or may think their friends may be. pilots undecided. In other words, the matter stands just as it did when Capt. \$150 REWARD bolook. The deceased had only been ill about a week. Much sympathy is felt for Mr. and Mrs. Harrison in their sad affliction. but have omitted to do their part in making ericton.

Meantime the pilots are endeavoring have the commissioners account to them for their earnings of the season. More than a month ago their attorney, Hon. Mr. Tweedie, They are huilding a fine new temperance and public half at Millerton. The foundasubject. The recaipt of the communication was formally acknowledged by the Deputy Minister who said the matter had be referred to the commissioners, but no road. The stone is cut on the front wall further notice was taken of it by the de-

second letter to Sir Louis Davies calling his attention to the first and to the fact that nothing further had been heard from the stocks of marble and granite monuments, beadstones and tablets ever shown on the morth shore, all from the latest designs and worked from the best material the market can produce. Call and get our prices.

They are right.

A "QUAD" CYCLE was in town this week. It was a Cleveland, which Mr. C. P. Hickey, the agent of that top-notch machine imported for races and sports which it was intended of to have in Chatham to-day, but which, we believe, will not materialise. The four-seater was tried by some of our crack cylists, out it on Tuesday, and at last got the Market of the days of the top-notch machine machine means the softened free for five years to all new aubscribts to the ADVANCE who send their subscriptions within one month. The Biggle Books may also be obtained through this office at the advertised price.

CHAMBERS OF COURT BLACKVILLE No. 1965, I. O. F.
Blackville, N. B. Oct. 13th 1899.

At a regular meeting of Court Blackville material in position by the building contractor, Mr. P. Forsyth, and it is expected that the hell will be ready for cocupation next summer. The building committee are Mesers. Geo. Vanderbeck, Dr. Would, therefore, beg to draw your immortant one to the parties a very should be dealt with by the Department without delay. Surely under such a state of facts as has been presented to you, it must strike you that the commissioners should not be allowed to act as they are doing with impunity. It rather appears as if the Biggle Books) in another column, is offered free for five years to all new where a body, such as the Pilotage Commission appointed by the Government and under your immediate control and direction commits a wrong about which complaint is made to you, it is your duty to investigate the matter immediately May I take the liberty of asking you if it is your intention to take any further had been heard from the department. Mr. Tweedie proceeded to say:

I would, therefore, per to draw your stater is a very immediate on the fact that this anter is a very immediate on the fact that t department. Mr. Tweedie proceeded to say:

At a regular meeting of Court Blackville No. 1965 I. O. F., held on above date, the It does not appear that the pilotage com nissioners have control of the fund referred to. The Secretary-Treasurer, Col. Call, is
