will make to this protest. ORANGEMEN AT GAGETOWN.

St. John Brethren Were Loyally Treated at the Shire Town of Queen's County

The Orangemen's excursion to Gagetown yesterday turned out a success. Over six hundred persons were present at Gagetown and the weather was

As soon as the boat arrived at Gagetown, which was about one o'clock, the Orangemen formed in line and marched through Gagetown to the court house. There were about four hundred men in line. When the court house was reached the St. John Orangemen, who walked at the head of the procession, opened out, allowing the Gagetown Orangemen to pass through.

through.
At 1.30 o'clock the visiting Orange-At 1.30 o'clock the visiting Orangemen sat down to a sumptuous dinner, which had been prepared for them by their Gagetown brethren.

At three o'clock the ranks reformed and marched to the cemetry where the graves of departed comrades were decorated. Returning from the cemetery the Orangemen proceeded to the Court House, where speeches were made.

A gentleman who lives on Garden street, says one night last week he had the following trick played on him by a newsboy. Quite late in the night, as he was going down Garden street toward his home the newsboy stepped out from the shadow of the buildings and offered a paper for sale. The gentleman bought it, and when he reached his home he found it was a Globe bearing the date of March 9th, 1903.

QUODDYS NOT COMING.

At leignam was received this morth for Eastport saying that the Quoddy baseball team would be under the contest on Thursday, beginning at two evidence in the albest occurs here in the same and the contest of the same and the sam Owing to the size of the stable needed, and to the high price of land, the cost of this was to have been \$240,000. Automobiles were investigated and the fact that they took up so much less vehicles. An officer in a prominen New York department store stated re New York department store stated recently that the automobile used in their delivery work took up less than half the stable room formerly occupied by horses and wagons. A business automobile can cover more ground in a day than a horse and wagon, a statement which has been demonstrated many times and under various conditions. A New York brewer found that an automobile truck could make three trips mobile truck could make three trips per day, as against one trip made by a horse-drawn truck. In a recent test one automobile made 100 service stops in a single day, a performance which could hardly be equalled by a horsedrawn vehicle.-Review of Reviews.
