F. M. A's BEATEN BY ST. ROSES IN SOCIETY LEAGUE

A couple of hundred grown up fans and many hundreds of noisy small boys witnessed the second Inter-Society League match on the Shamrock grounds last evening. The weather was not as favorable for good ball as on Monday night, it being rather cold and dark, but the St. Roses managed to rub it in to the F. M. A.'s with a score of 9 to 1 in a five inning game. The St. Roses, who were the most prompt in appearing on the diamond, were on the grounds long before the hour set down for the game, and they demonstrated that they had lost none of their last year's energy and all round efficiency. Their victory was partly due to their heavy hitting, but mostly due to a young twirler named Quinn, who made his first appearance on a city diamond. The F. M. A. boys only found him for four safe ones, while his curves and good judgment were responsible for striking out no less than ten men during the game. Quinn's prospects are good, and he was the candy for the Fairville reds last evening. Hasen Downey of Fairville was chosen referee of last night's game, and he performed his duties very satisfactorily.
