It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the Heart and Kidneys. The old fashioned way of losing the stomach for stimulating the Heart or Kidneys is surely wrong. Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs," said he. Each little organ has its controlling or "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is being recognized everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell! Sold by All Dealers.

Empire Lignum Co. Ltd.
Bridgetown, N. S.

Dear Sirs,
Your Capt Burns gave me a bottle of your Empire Lignum at the Grand Hotel, Sydney, C. B. At the time I had contracted a very severe cold which settled on my lungs, and which confined me to my bed. A generous application of Empire Lignum on a flannel cloth relieved me so much I was able to go home the next morning and my Doctor tells me I broke up a very bad case of pneumonia. I consider your Lignum a splendid remedy and I have placed an order for your goods in my drug store and will push it on its merits.
Yours very truly,
J. W. McLean.
