The mendy for either partial or complete deafness in all its stages.

By the timely use of this pungent Oil, many who have been completely deaf have been restored to perfect hearing after using from three to ten flasks. This may appear strange, but it is nevertheless true.

This may appear strange, but it is nevertheless true of the an anostrum, but as the prescription of one who had an anostrum, but as the prescription of one who had an anostrum, but as the prescription of one who had urned his attention exclusively to the Eye and Ear, and who pledges his professional reputation upon the success of this remedy.

Dr. Scudder has numerous certificates, but hesitates to publish them, as he considers them unnecessary to so truly valuable an article as the Acoustic Oil. Its immenses sale is the fairtest proof of the estimation in which it is held. It is presented as public blessing, enabling the aged parent to mingle the conversation with his children, and to reply to their numerous questions with a facility from which he had previously been debarred by a distressing partial or complete deafness.
