距今八年前。詩晏亞未注意華客事務之時。加國華僑搭車附船回國者。屢感不良之待遇。蓋因其時太平洋航行事業。幾為各部份所操縱之故。及至詩晏亞開辦之後。因大加改良。航外車路公司羣相爭雄。往來中國之船。各事較快。福食較美。招待較為完善。由此詩晏亞之競爭客為懷。矢志不變。以故詩晏亞可以優待華客而有今日旅行之便也。其招待週到之故。加東為加國全國政治文化教育精華及商務工藝發展之區。華僑遊覽正是時矣。詩晏亞各處代理均能妥為料理一切。

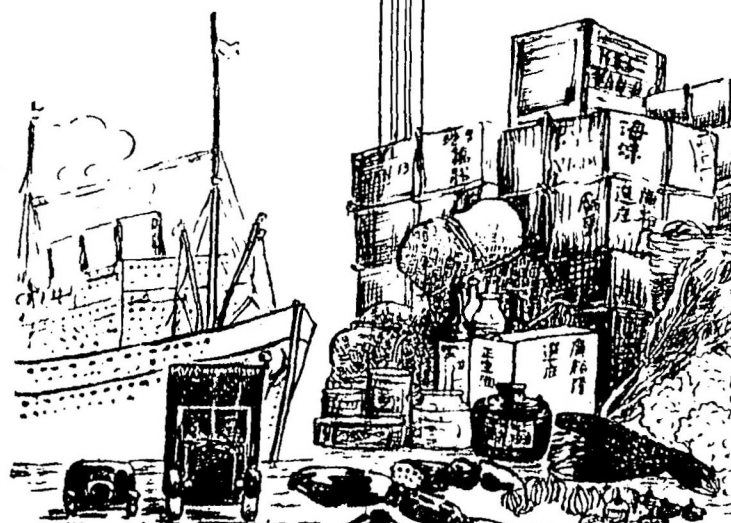

A detailed black and white illustration of a multi-story building, identified by a sign as Kwong Yee Lung Co. The building features a prominent flag flying from a tall pole on its roof. The facade is divided into several levels with windows and decorative elements. A sign with the company name is visible on one of the lower floors.

A detailed black and white illustration at the bottom of the page. On the left, a large steamship with multiple funnels and a flag is shown. In the foreground, there is a small motor vehicle, possibly a truck or bus. To the right, a large, chaotic pile of shipping crates and boxes is depicted. Some of the crates are labeled with Chinese characters, including '隆裕萬' (Lung Yee Wan) and '海味' (Seafood). Various items like bottles and bags are scattered in front of the pile. The entire scene is set against a background of stylized clouds and a flag on a pole.
