BLENHEIM, March 30. - Already onion game. Grading Tobacco.

The Canadian Tobacco Growers' Co-operative Company begun operating their grader factory here yesterday The expert tobacco grader arrived this week, and everything was ready in the afternoon, and six employees started on the job. Those who saw the operators at work declare that they are doing a good job. A number of large loads came in today, and previously quantity had been received. After th After the tobacco has been properly graded here it will be shipped to the company's factory at Kingsville, where it will be processed. The company handles the tobacco of shareholders only. They claim they have good prospects for sale in the foreign market, but shippers will be required to wait for their re-turns until sales are made. Gave Fine Address. Gave Fine Address. ## False Claims.

WE hope there is no Mother who thinks she can treat her sick baby without calling in a Physician, or with remedies that she uses for herself.

Most Mothers know that Baby requires remedies especially prepared for babies, yet there are some who think that what is good enough for them is good enough for Baby, and it is to these Mothers we appeal to give nothing to their babies that is not specially prepared for babies or recommended by their Physician.

False claims may kill, but false claims can never restore your child.

For over thirty years Fletcher's Castoria has been aiding in the reduction of the deaths among infants as Mothers have become more and more acquainted with it. Always keep it in the house.

### Are You Prepared?

A doctor in the house all the time would be a good idea. Yet you can't afford to keep a doctor in the family to keep baby well or prevent sickness. But you can do almost the same thing by having at hand a bottle of Fletcher's Castoria, because it is a wonderful remedy for indigestion, colic, feverishness, fretfulness and all the other disorders that result from common ailments that babies have.

Fletcher's Castoria is perfectly safe to use. It is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. Children cry for Fletcher's Castoria, and mothers recommend it because they have found it a comfort to children and a mother's friend.

If you love your baby, you know how sweet it is to be able to help baby when trouble comes. You cannot always call upon a doctor. But doctors have nothing but good to say of Fletcher's Castoria, because they know that it can only do good - that it can't do any harm and they wouldn't want you to use for baby a remedy that you would use for yourself.

## "A Beauty Sleep"-and then "A Beauty Breakfast"

Try it for 30 days-to prove

This is what thousands do at the direction of experts to win back the healthful rose tint to pale cheeks-as told by the editor of a famous magazine which is read by half a million women.

They take regular exercise, sleep regular hours, and then start breakfast with stewed raisins. The raisins are plump, delicious fruit-meats stewed so the juice forms a luscious sauce. Note recipe printed on this page. A more alluring fruit dish never has been served in any home-nor any other food that's more effective in this way.

Read opposite what Dr. J. H. Kellogg, an authority who has made a life-time study of foods, thinks of the raisin. You'll serve stewed raisins every morning when you know the good they do.

### Luscious nuggets of food-iron

Raisins are nuggets of food-iron-and food-iron is an essential to good blood.

Get what you need of it each day, and an in-comparable, natural rose that on the checks is the reward—nature's irresistible attraction— the good looks of good health.

No need to imitate with rouge when nature

Youthfulness is the real beauty, as every woman knows. And good blood is the first considera-tion. Women of fifty often look but thirty if that natural rose tint is still there.

Stewed raisins are mildly laxative also. Those who eat them regularly are apt to have the

clear, white skin that sets the color off-un-marred by blemishes or sallowness. Great sanitariums serve stewed raisins to rheu-matic patients when other fruits might dis-

agree So this simple but effective food is one of the most important that any woman ever used. Try daily for a month and see. Begin tomor-row morning. Look in your pantry now.

Let every member of the family have stewed

### **Stewed Raisins**

Cover Sun-Maid Raisins with cold and add a slice of lemon or orange to each half pound. Place on fire; bring to a boil and allow to sim-mer for one hour. Sugar may be added but is not necessary as Sun-Maid Seeded Raisins contain 75 per nt natural fruit sugar.

#### What Dr. J. H. Kellogg says: (Dr. Kellogg is head of the famous Battle

Raisins are served on the Battle Creek Sanitarium Table every day. A pound of Raisins has twice the food value, an equal amount of iron and seven times as much food lime as a pound of choicest lean steak. The sugar of Raisins is much more wholeson nethan cane sugar, requiring no digestion and being absorbed in one-fourth the time required for ordinary sugar. If the American people would eat more Raisins and less meat the results would be better digestion, less rheumatism, less Bright's disease, less heart disease, greater efficiency and longer life."

TO DISABLED MEN

**EXTENDING RELIEF** 

Changes Being Made in Con-Showing Greater nection With Re-establish-System of Nerves. You Can See How ment Work. Necessary It Is to Keep Them Strong.

OTTAWA, March 30 .- An order-incouncil has just been passed extending the relief granted to disabled men by the department of soldiers' civil reestablishment until April 23. subject to certain qualification. It is now provided that the men for whom assistance shall be granted shall be married men or single men with dependents who have received assistance as such prior to March 31. After March 31 the maximum amounts per month which may be expended on behalf of any case are: Man and wife, \$60; first child under 16 (girl 17), \$12; second child under 16 (girl 17), \$10; maximum payable, \$85. No.further assistance will be granted to single men without dependents after March 31. This extension will enable the depart-

ment of soldiers' civil re-establishment to deal with the most needy cases during the next three weeks. By that time it is hoped that the majority of the men who are now receiving aid will be men who are now receiving and will be able to secure employment. It will be noted that no new cases for relief can be taken on under this extension, only those who have been carried prior to the end of March.
