**BILL.**

**An Act to confirm a certain Allowance for Road in the Township of Monaghan, and to provide for the compensation of persons suffering loss by the confirmation of such Allowance.**

**W**HEREAS at the period of the Survey of the Township of Monaghan, Preamble.  
in the County of Peterborough, by Deputy Surveyor, Samuel Wilmot, in the year 1817, the western boundary thereof, by which it was intended that the division lines of the respective Lots should be governed, was run and established on a course of north sixteen degrees west; And whereas in subdividing into Park Lots attached to the Town of Peterboro', the Lots Nos. 13, in the twelfth and thirteenth Concessions of the said Township of Monaghan, Deputy Surveyor Richard Birdsall, the Surveyor employed in the year 1825 on that service, laid off an allowance for Road as the rear boundary of the said Park Lots, on a course of north sixteen degrees thirty minutes west, which in its course from the front to the rear of those Concessions, diverges westerly, and encroaches upon the Lots Nos. 12 in the said twelfth and thirteenth Concessions; and as to disturb the said authorized Survey of the Park Lots, would be productive of serious and injurious consequences, and calculated to impair confidence in titles to land based upon surveys executed under Official sanction; Be it therefore enacted, &c.,

That the allowance for Road surveyed by Mr. Deputy Surveyor Richard Birdsall, by direction of the Surveyor General of the late Province of Upper Canada, as dividing the Park Lots (attached to the Town of Peterboro',) and laid out upon Lots Nos. 13 in the twelfth and thirteenth Concessions, from Lots Nos. 12 in the said twelfth and thirteenth Concessions of the Township of Monaghan, shall be the true and unalterable allowance for Road between the said Lots Nos. 12 and 13 in the above named Concessions, and that the western limit of the said Road allowance shall be deemed to be the eastern limit of the said Lots Nos. 12, and that the eastern limit of the said Road allowance shall be deemed to be the rear boundary of the Park Lots, numbering from number one to number twenty inclusive, in the said twelfth and thirteenth Concessions respectively. Birdsall's survey of allowance for Road confirmed.

II. And be it enacted, That it shall and may be lawful for the Governor in Council, after due investigation had, to compensate the proprietors of land granted as portions of the Lots Nos. 12 in the twelfth and thirteenth Concessions of the said Township of Monaghan, for such losses as they may prove that they have sustained by the operation of the provisions of this Act, by assigning to them an equivalent in value from the ordinary Public Lands of this Province; anything contained in the 28th Section Compensation to be granted to certain parties.
