

Get a Squad from the "Dominion" Guard to Protect You from Tire Troubles

Say "DOMINION" —and stick to it—

and you'll be safeguarded against undue expense—for **DOMINION** Tires give maximum mileage per dollar of cost—against rough roads and extremes of temperature, for **DOMINION** Tires stand up to the hardest service conditions—against defects of material and workmanship, for our warranty provides adjustments on a basis of mileage—5,000 for "Nobby" and 3,500 miles for Plain and Chain Treads. You are safeguarded, too, against the dealer who seeks to make more profit and give you less value. Reliable dealers recommend **DOMINION** Tires because they give such thorough satisfaction. If you have any trouble getting **DOMINIONS** in the size and tread you want, write our nearest Branch or our Home Office, and we will see that you are supplied at once.
