

Typing that needs no tutoring.

Students, your assignment today is to learn how to use the Smith Corona XL 2500 typewriter.

Ooops, don't get too settled in your seats. The XL 2500 isn't a very difficult study.

In fact, unlike most electronic typewriters, it's a downright snap to pick up.

The Spell-Right™ 50,000 word electronic dictionary adds new meaning to the word "simple."

WordEraser® erases entire words at a single touch.

WordFind® finds your mistakes before anyone else can.

The XL 2500 even makes correcting mistakes as easy as making them.

With the Smith Corona Correcting Cassette, you simply pop in your correction tape.

There are no spools to unwind...no complicated threading...no tangles.

Of course, we've also added lots of other fine features to the XL 2500.

There's full line correction, Auto Half-Space, Auto Center, even our Right Ribbon System™ which automatically prevents you from using the wrong combination of ribbon and correcting cassette.

Oh, one more feature we forgot to mention—the price. You'll be happy to hear that the XL 2500 is surprisingly affordable.

So you see, the XL 2500 won't just make your writing easier.

It'll also help you with your economics.
