To this effort the World's Court League is devoted. It asks for cooperation of all persons who approve of its purpose, and it seeks to unite the efforts of such men and women and of friendly organizations in every country in the world.

The monthly publication of the League, called the World Court, offers a medium for an educational propaganda and a forum in which different racial and national viewpoints may be made mutually helpful. All members of the League receive this magazine. A copy is sent to you under separate cover.

In the hope that you will be pleased to cooperate with us towards the organization of the World for Peace with Justice under Law, I am

Sincerely yours,

*Samuel T. Dutton*
