March 13, 1931.

Dear Mr. Goodman:

I am very much touched indeed by the kindness of your letter of 11th March. Realizing that the letter is written not only on your own behalf, but in the name of the New Liskeard Liberal-Conservative Association, permit me to say that I appreciate its generous terms very much, and would ask you to communicate my sense of gratitude to the Association itself.

Yours very truly,

Arthur Meighen.
