Ottawa, August 23, 1909.

Sir,-

I have to acknowledge the receipt of your letter of the 6th ult., inclosing a requisition for supplies for the Split Lake school, and in reply I beg to say that the slate pencils, ink pots and slates will be ordered from the Government Stationery Office.

With reference to the desks and stove, the Department would like to be advised as to their cost locally, when you will be again communicated with.

Requisitions should be forwarded to the Department through the office of the Indian Agent at Norway House.

Your obedient Servant,

Secretary.

Rev. C.G. Fox,
Teacher,
