WOODED
LANDS

I know of some excellent wooded lands in the Province of Ontario, not far from the line of the Canadian Pacific Railway, at nominal prices. There is plenty of work and good future for settlers.

Reduced rates are given to bona fide intending settlers—only by

BE UP-TO-DATE.....

Save MONEY, LABOR and
TEAM by using the

Ontario Riding Plow

This plow has a lighter draft than any other plow doing the same work. Anything a plow should be asked to do it can do with less strain on team or ploughman.

It is the simplest plow made and can be run by any man, woman, boy or girl who knows how to manage a team.

We make single and double Riding Plows with mouldboards adapted for any soil and cutting any width of furrow.
