

MARKET.

The following reply of Mr. Poulett Thompson to a resolution transmitted to him by the Chairman of the British North American Association of Liverpool, will be read with interest. The resolution was unanimously adopted at a meeting held by that body on the 3rd September, and alludes to the opinions which Mr. Thompson had frequently advocated, opposed to the interest of the colonies.

I beg you will do me the favor of conveying to the members of the association my assurance that no one can be more deeply impressed than I am with a just sense of the great value and importance of the trade of the North American possessions, and that it will be my earnest desire to promote by all the means in my power, whatever may tend to assist and increase it, as well as to adopt whatever measures may be for the advantage of the colonies entrusted to my government.

The Montreal Herald of Monday quotes the Colonial Gazette as authority for saying that Mr. Poulett Thompson is determined to amplify Lower Canada, and that while he resides in Upper Canada the Government of this Province will be administered by Chief Justice Stuart, who is well styled the ablest and most statesmanlike person in British North America.—Mercury.

New York, October 10.—The movement which we chronicled yesterday—the rejection of notes of the Pennsylvania U. S. Bank by the U. S. in New York—proved to be, as we anticipated, only a forerunner of a general suspension by the banks in Philadelphia, and probably of all the Southern and South Western cities.—Commercial Advertiser.

The following article is warranted to cure PILES, RHEUMATISM, ALL SORES, &c. or no pay taken for it.

PHYSICIANS AND PATIENTS.—The Blind Piles, said to be incurable by external applications—Solomon Hays warrants the contrary. His Liniment will cure Blind Piles. Facts are more stubborn than theories. He solicits all respectable Physicians to try it upon their patients. It will do them no harm, and it is known that every Physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the recipe of one of their most respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuse for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is no humbug or quackery about this article.—Why then not alleviate human suffering? If they want try it before, let them after all other prescriptions fail. Physicians are respectfully requested to do themselves and patients the justice to use this article. It shall be taken from the bottles, and done up as their prescription, if they desire.

SOLEMAN HAYS. PILES,—DROPSY, SWELLINGS, ALL SORES. RHEUMATISM. It is absolutely asserted, on the most positive proof, that the above complaints are arrested and cured by the timely use of Hays' Liniment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length where it is sold. GENERAL DUFF GREEN.

So well known as Editor of the late Washington Telegraph, is referred to for the truth of the following:—General Green a few days since asserted in a public place, that he had used Hays' Liniment for the Piles, and that the effect was very astonishing, and that he felt it his duty to make known as far as in his power, to his suffering fellow men, that such an extraordinary article was in existence.—He said he would cheerfully lend his name, and aid in extending its usefulness. This is but one of many safely say hundreds who have given like testimony. SOLOMAN HAYS.

WONDERFUL !!

An Astonishing Fact!—Hays' Liniment has now been used in some thousand cases, and no failure can be found. It will cure every and all cases of Piles. No charge without such result.—Apply at JOHN MUSSON, Agent for Quebec, and at Messrs. SIMS & BOWLES, BEGG & URQUHART. CAUTION—None can be genuine without the written signature of Comstock & Co.

LOOK OUT FOR IMPOSITION.

As a base attempt has been made to imitate Hays' Liniment, and infringe upon the copy and other rights of the proprietors. Never buy Hays' Liniment, unless it has a splendid engraved wrapper, and the written, and other marks of Comstock & Co., all others must be impositions. Any persons vending any other article, by the name of Hays' Liniment, either by wholesale or retail, will be prosecuted for a violation of our copy-right. The coats of Mr. Hays may be found copied in our inside wrapper, swearing that no other person knows any of the copy or essential parts of this Liniment—and that he will not reveal the secret for twenty years.
