THE SUBSCRIBERS BEG LEAVE TO CALL THE ATTENTION OF ALL WHO ARE USING GAS TO THE ABOVE REALLY VALUABLE IMPROVEMENT. Do not suffer yourselves to be influenced by the prejudice produced by the numerous so-called improvements which have been offered within the last few years; but see and judge for yourselves.

MONTEAL, August 31, 1867. MY DEAR SIR,—I have much pleasure in certifying that I consider your Patent Gas Carbonizer a most valuable introduction, especially when the quality of the gas, and the high price charged for it, is considered. I have one now in my house put up by you, and find I have a much better and brighter light totally free from smoke or smell of gas since its introduction.

MONTEAL, 9th Sept. 1867. DEAR SIR,—I have much pleasure in adding my testimony to the usefulness of Woodward's Carbonizer, both as regards increased illuminating power and also diminished consumption. Having now had one on my premises for some time, which is working with undiminished vigour, I very confidently recommend it as being able to do all you promised for it.

MONTEAL, 5th Nov. 1867. DEAR SIR.—In answer to your enquiry, we would say that your Carbonizer, placed in our billiard-room on Great St. James Street on the 4th September, has given us entire satisfaction. Before we had it introduced we were burning about 1200 feet of gas per night, with 50 burners, running about 5 hours. We are now burning less than 200 feet per night, running about 6 1/2 hours, with 62 burners, and fully as much light. We therefore confidently recommend it to all who wish to economise in burning gas.

MONTEAL, 9th Sept. 1867. DEAR SIR.—In answer to your enquiry, I give me much pleasure to say that Woodward's Patent Carbonizer, which you placed in my billiard room in Victoria Square, has so far given entire satisfaction. I have no doubt of its economy, as I am now using two feet burners, and have fully as good light as I had with four feet burners without it. I confidently recommend it to all who wish to economise in using gas, believing it will do fully as much as you promise.—Very truly yours, HENRY MCVITTIE.
