## Can You Sell Life Insurance?

### If You Are Confident

that you can sell life insurance if allied with the *right* Company issuing the *right* kind of a policy, and are not satisfied with the success you have attained in the past, try an Equitable contract. You will at once discover—

- 1st: That the State endorsement of the Standard Policy convinces the most skeptical applicant that its provisions are absolutely in his interest.
- 2nd: That when it is further demonstrated that the Equitable is the strongest Company in existence, the average man will prefer it to any other.
- 3rd: That the prompt payment of all just death claims by the Equitable (which is the chief function of any life insurance company) will enable you to secure business which might otherwise go elsewhere.

Equitable representatives are making money.
