

*Just think of sitting in your own home—
in the evening, listening to a concert
that would cost \$20,000, to produce
if given by the great artists in person.*

Carusa, Eames, Gadski, Scotti, Plançon—the most glorious voices in the whole world—right there in your room to sing at your bidding, the best things in sacred, secular and operatic music. You will really sit astounded as you hear these magnificent voices just as though they were in the room with you. Maud Powell, queen of the violin—Hollman, master of the 'cello—Sousa's and Pryor's Bands—and the great Victor Orchestra—are there waiting to play to you at your touch of the button—to say nothing of quartettes, comic singers, instrumental soloists, minstrel troupes, and other entertainers. Think what a concert you may have for your friends, in your own home, any evening, every evening.

All this is possible only with the wonderful Victor or Berliner Gram-o-phone. It is the Victor or Berliner alone that mirrors every note—every tone—every shade of emotion of voice and instrument.

Carusa sings only for the Victor or Berliner. He knows that these wonderful instruments alone will reproduce his voice in all its matchless purity and volume.

Is there anything else you can think of that will give so much enjoyment to every member of the family during the long winter evenings?
