You are truly doing National Service, when you sell to the Government, horses sound in limb and body. Every branch of the Service needs our sturdy mounts. But inspectors are net interested in lame or blemished horses-they must be sound.

ABSORBINE

Puts your Horses in condition to command top prices

Have you a horse which might be rejected because of a Spavin, Thoroughpin, Bursal Enlargement, Shoe Boil, Capped Hock, Swollen Gland, Thickened Tissue, Enlarged Veins, Rheumatic Deposit, or any Puff or Swelling?

ABSORBINE will remove the blemish—stop the lame. ABSORBINE does not blister or remove the hair; absolutely safe; and the animal can be worked while being treated.

ABSORBINE is economical, because only a few drops are required for each application.

\$2 a bottle—at druggists or sent post paid on receipt of price. Book "A" free.
