

THIS RUNT GAINED 360 LBS. IN 160 DAYS
BY EATING INTERNATIONAL STOCK FOOD.

YOU CANNOT DENY ACTUAL FACTS

A Wonderful Growth of 360 Pounds in 160 Days By a "Runt" That Had Been Badly Starved for Nearly 2 Years and Only Weighed 60 Lbs.

DOW CITY, IOWA.

International Stock Food Co., Minneapolis, Minn.
DEAR SIR:—I have a runt 2 years old which only weighs 60 pounds. It stands 18 inches high, 42 inches long, and 4 inches wide on widest part of the back. I would like to try "International Stock Food" and see if it will make this runt grow. Four of my neighbors owned it before I got it, and none of them could make it grow. I enclose a photograph which shows this hog is too weak to stand alone, and it will not eat.

F. C. HOWORTH.

DEAR SIR:—I enclose a photograph of the "runt" taken five months after our commencing to feed "International Stock Food." It weighs 420 lbs. and has developed into a fine looking hog. "International Stock Food" is a remarkable preparation for making hogs grow, and the two photographs I mail are positive proof. Yours truly, F. C. HOWORTH.

"International Stock Food" is prepared from Herbs, Seeds, Roots and Bark.

LOUDEN'S GOODS ARE GOOD GOODS.

A prominent dealer writes: "I have never sold any other goods that have given such satisfaction as your Hay Carriers, and I have made more money out of them this year than I have out of binders."

Another says: "I have handled all makes, but Louden's are the BEST."

We make twelve different styles of Hay Carriers, all up-to-date. Our Double-Tread Barn-Door Hangers are "the best on earth." Dealers who want "A Good Thing"—something that will sell and give satisfaction—should write at once for the agency. Catalogue and prices free on application.

LOUDEN MACHINERY COMPANY, WINDSOR, ONTARIO

NOTICES.

"VETERINARY EXPERIENCE," by Dr. S. A. Tuttle, 66 Beverley St., Boston, is the title of a booklet of 100 pages, describing the symptoms and methods of treating the principal diseases of the horse. The special value of Tuttle's remedies are also explained, and numerous testimonials are given. A free copy may be secured from the above address.

THRASHING MACHINERY.—The small thrashing machine has had a large sale in the Northwest in the last two years. By owning his own machine, the farmer saves the big thrashing bills. The little machine can be operated at half the cost of a large gang necessary to handle a large outfit. It is easily moved over any roads, making it pos-

sible for those in hilly sections to grow grain in a small way. We refer our readers to the advertisement of the Belle City Mfg. Co., Racine, Wis., found on another page.

GOSSIP.

It is now ready for distribution, the price being \$3.30, prepaid, or \$3.00 at the office of the Secretary, John W. Groves, Springfield, Ill.
